### Teachers Dig In

#### Dig In to the Bible

- Read: Acts 14
- In This Passage: Paul and Barnabas travel around, preaching and healing people. When they heal a crippled man in Lystra, the people think Paul and Barnabas are gods! Paul and Barnabas quickly point people to the only true God, sharing how he's already been at work in their lives.
- Bible Point: God is the only God...
- Application: ...so we point people to him.
- Summary Verse: "Not to us, O Lord, not to us, but to your name goes all the glory for your unfailing love and faithfulness" (Psalm 115:1).

#### Dig Deeper

- You'll Be Teaching: *God is the only God.* Kids probably can't relate to Paul and Barnabas' experience exactly—they've probably never mistaken them for a god, and they probably never mistook someone else for a god. However, kids *do* sometimes forget to give God the glory for the amazing things he does in and through them. Use this lesson to help kids see how God is at work in their lives and point others to him as he works.
- Think About: What has God done for you? Tell someone!

#### Dig In to Prayer

- Ask God to give your kids opportunities to point others to him.

#### Quick Tip

- Being authentic and vulnerable with your kids is an important way to point them to God. Kids often view their Sunday school teachers as people who have all the answers, live near-perfect lives, and have it all together. We all know nothing could be further from the truth! Help kids see what God is doing in your life and how much you need him by sharing age-appropriate personal stories. (When we ask you to share first, do it!) It'll take the focus off you and move it onto God.
