- Read: Genesis 1
- In This Passage: God makes the world. God is creative, making all different kinds of plants and animals, birds and fish, and land and sea. Finally, he creates the pinnacle of his creation: humans! He makes people in his own image, so we can be creative, too!
- Bible Point: God is creative...
- Application: ...so we're creative.
- Summary Verse: "Have you never heard? Have you never understood? The Lord is the everlasting God, the Creator of all the earth. He never grows weak or weary. No one can measure the depths of his understanding" (Isaiah 40:28).

Dig Deeper

- You'll Be Teaching: *God is creative.* Most younger kids think they're creative. But as kids start to age, some get the message that creativity just isn't their thing. Help kids see that they're created in the image of the Creator. God is creative, and that creativity is infused into each of us in different ways.
- Think About: What's the last creative thing you did? What does that show you about God's creativity?

Dig In to Prayer

- Pray that God would reveal his creativity to each child as kids consider how he made each of them specifically.

Quick Tip

- Creativity is not just revealed in art and music. It can show up in creative problem-solving, a new idea for how to play a game, or a wild imagination. Look for creativity in your kids this week. Try to affirm each child for how he or she is reflecting God's creativity.
