I AM MEANT TO KNOW GOD

ALL STAR KIDS
FEBRUARY 2024

February 25

I Am Meant to Know God 1 year olds - 4 year olds

Leader Notes

Bible Passage: The Unknown God - Acts 17

Bottom Line: God shows Us Himself through His people.

Leader Context: God shows us Himself through His people. The book of Acts is such a great example of how God used His people to share the gospel story. We will look at Acts 17 and hear how Paul boldly shared Jesus and showed people who God is.

THE WIN FOR SUNDAY GROUPS: Give kids a first look at The Bible, Jesus, and our need for a Savior by embracing their physical needs or engaging their interests. Use The Code when necessary to help redirect kids and build relationships.

Bible Story Recap- Say This!

Awesome, Super Crew! Thank you so much for such a fun time! Friends, do you remember what the Super Clue is for today? (Allow responses) Very good! Our Super Clue is a GPS. A GPS helps us know where we are and how to get to where we are going. Just like a GPS helps point us in the right direction, there are people who help us learn more about God and point us to follow Him. Who are some of the people in our lives who help us learn more about God? (Allow responses) Great job! God's people help us learn more about Him. God's people are those people who love God and tell others about Him- like our pastors, Bible teachers, and other friends and family. Let's pray and tell God thank You for helping us know more about Him. Praying is talking and listening to God. Let's be still, close our eyes, and pray 3-2-1. God, thank You for people who help us learn more about You. Please help us learn more about You each day. Amen."

Can you say the Big Deal with me?

I Spy! (*point to eyes*)

God wants me! (*Move hands to chest*)

To Know Him! (*point to sky*)

Let's do that a few more times.

Flying Disc Friends(20 minutes)**What You Need:** Paper plates (1 per kid) crayons, Bible story stickers (1 per kid)**Say:**

Have you ever played with a flying disc? It is a round toy that you can throw and catch. We are going to decorate our own paper plate flying discs today. (Give each child a paper plate.) When you get your paper plate, take your crayons and color it however you would like. When you finish decorating, find a friend on our team. After you find a friend, go to this area (point to a safe part of the room) and gently try out your flying discs by gliding them back and forth.

Encourage kids to draw a few people on their flying discs.

Say: "In our Bible story today, we saw how God worked through Paul to help the people in Athens know God better. Just like we don't play with a flying disc by ourselves, we don't learn about God by ourselves either. We can know God through His people.

Say:

- What was our Super Clue today? (*a GPS*) What does it help us remember?(*A GPS can help us know the right way to go. People can help us know the right way to go as they help us learn about God and follow Him.*)
- What was your favorite part of the Bible story?
- We can know God through His people. Who are some people who can help you learn more about God? (*pastors, teachers, church leaders, family, friends*)
- What is something you learned about God today?
- What can you tell your friends and families about this week?

Our Big Deal is, "I Spy! God wants me to Know Him"

I Spy(*Point to eyes.*)

God wants me (*Move hands to chest*)

to Know Him(*Point to sky*)

I had so much fun with you today! I love that I get to be someone who helps us know God and learn about Him. It is fun that we can learn about Him together at church. Did you know that there are people in my life who show me what God is like? One of them is our pastor Mike/Sam/Kim/Russell/Tom. Did you know that you can show others what God is like? This week look for ways to use your helping hands to share God's great love."

Prepare kids to talk with their family about what they learned today.

- Pass out coloring pages for kids to take home.
- As family members arrive to pick up their kid, greet them and tell them one thing you noticed about their kid that day or something you talked to each kid about remembering this week.
- If there is time to chat with the family, ask how you can pray for them this week.
- Say bye to the kids and call them by name.
