July 8- How do we honor God in our relationships with others?

Bible- Matthew 5-7- Jesus' kingdom is upside down. It goes from rules to relationships!

Video- "Sermon on the Mount"

Read: Matthew 5-7

Highlight: Matthew 5:3-10

Reflect: As you read Matthew 5:3-10, Jesus shows what it looks like to live as part of God's kingdom. Which truth or verse could help you live differently and point others to Him?

- God blesses those who are humble and know they need Him. (Matthew 5:3)
- God comforts those who are hurting. (Matthew 5:4)
- God honors those who choose what is right. (Matthew 5:6)
- God shows mercy to those who show mercy. (Matthew 5:7)
- God uses peacemakers to reflect His love. (Matthew 5:9)

Pray: God, thank You for showing us what it looks like to live Your way. Help me to be humble, kind, and full of mercy. When it's hard to do what is right, give me courage. Use my life to show others who You are. Amen.

Connect: Where is it hard for you to live like Jesus right now? Who needs to see kindness, mercy, or peace from you this week? What is one simple way you can live out what Jesus teaches and shine His light to others?
