*Bible-* 1 John 2:20, Eph 5:11- The Holy Spirit Convicts and Shows What's Right

*Video-* God's Super Helper

**Read:** 1 John 2:20, Ephesians 5:11

**Highlight:** Ephesians 5:11

**Reflect:** In 1 John 2:20, we see that believers are given the Holy Spirit to help them know truth. Which truth or verse helps you trust God's guidance?

- God gives us the Holy Spirit to guide us. (1 John 2:20)
- The Holy Spirit helps us know what is true. (John 16:13)
- We can trust God to lead us in the right way. (Proverbs 3:5-6)

**Pray:** God, thank You for giving me Your Holy Spirit to guide me and help me know what is true. When I feel unsure, remind me to trust You. Help me listen to Your voice and follow Your truth each day. Amen.

**Connect:** When have you needed help knowing what is true or right? How can you slow down and listen to God this week? What is one way you can follow the Holy Spirit's guidance today?
