Bible- Mark 4:35-41; 5:22-43; 6:30-44- God has the power to care for people even if we don't

Video- "It's a Miracle"

Read: Mark 4: 35-41, 5:22-43, 6:20-44

Highlight: Mark 5:36

Reflect: In Mark 4:35-41, 5:22-43, and 6:30-44, we see that Jesus has power over fear, sickness, and every need. Which truth or verse helps you trust Him more?

- Jesus has power over our fears and can bring peace. (Mark 4:39-40)
- Jesus cares about our needs and listens when we come to Him. (Mark 5:22-23)
- Jesus is powerful enough to heal and give new life. (Mark 5:41-42)
- Jesus provides more than enough for what we need. (Mark 6:41-44)

Pray: Jesus, You are powerful over everything I face. When I feel afraid or unsure, help me trust You. Thank You for caring about my needs and providing for me. Help me come to You first and believe that You are enough. Amen

Connect: What is something in your life that feels scary or out of control? Where do you need to trust Jesus to provide or help? What is one way you can go to Jesus first this week and trust His power and care?
