1 year olds - 4 year olds

## Leader Notes

**Bible Passage:** Children of God- 1 John 2-3

**Bottom Line:** God Made Me Special

**Leader Context:** Today we get to celebrate that God made us to be part of His family. We can have a friendship with God because we are invited to be a part of God's family. Through Jesus we are saved from our sin. When we have a relationship with Christ, we have been saved to have life with Jesus. God made us special and wants everyone to be part of His family.

**THE WIN FOR SUNDAY GROUPS:** Give kids a first look at The Bible, Jesus, and our need for a Savior by embracing their physical needs or engaging their interests. Use The Code when necessary to help redirect kids and build relationships.

**Bible Story Video (10 minutes)**

**Bible Story Recap- Say This!**

Thanks Super Crew! That was a big help.

In today's Bible story, we learned that we are all unique, one of a kind, and special to God. God has a special place for each of us- to be part of God's family!

I think I get why a shape sorter is today's Super Clue. Each shape has a special place where it will fit. The circle was created to fit through the place for the circle, the square for the place for the square, and the star for the place for the star. While each shape is completely different, each shape still has its special place. This is just like each of us. God has a special place for each one of us in His family.

Let's pray and talk to God. We can thank Him for making us so special. When we pray we close our eyes and are quiet so we can focus on talking and listening to God. Let's pray in 3-2-1. "God, thank You for making us special. Thank You for showing us love by sending Your Son, Jesus. Help us learn more about Your love and show what we learn about Your love every day. Amen."

Can you say the Big Deal with me?

One of a Kind!(hold 1 finger out in front of you)

God (Point Up)

Made Me Special! (show two thumbs up)

Let's do that a few more times.

## God Made Me Special(20 minutes)

**What You Need:** paper bags (1 per kid), crayons and markers (several), colored paper(Several) scissors (Adult use only) glue sticks or glue dots, extra decorations to glue on paper bag to make special people bags

*Cut strips of paper for hair. Gather and set out supplies. Make a sample craft.*

**Say:**

God made you special. There is no one quite like you. Today we are going to make puppets that look like us. You will get a paper bag and some crayons or markers. On the flap of the paper bag draw your eyes, your nose, and your mouth. Then you can choose a few strips of paper and glue them on the top of your puppet to make your hair. Think about your hair. Is it long or short? Is it straight or curly? How do you want to style it on your puppet?

After you finish your face and hair, use markers and crayons to decorate the body of your puppet. You can draw and color clothes for your puppet. You can make your shirt your favorite color or draw on your favorite necklace. You can add whatever you want to make your puppet look like you.

**Say :** God made us special. He gave us features like our hair color and eye color, but He also gave us characteristics like being kind, caring and loving. There are special things about us that are all unique and one of a kind. We are all special to God. That is something worth celebrating.

**Say:**

- What was our Super Clue today? *(a shape sorter)* What does it help us remember? *(There is a place for each different shape in a shape sorter. This reminds us that there is a place for each of us in God's family. God made each of us special..)*
- What was your favorite part of the Bible story?
- How did God made you one of a kind? What is special about you?
- God made me special! What is something special about the way God made you?
- What is something you learned about God today?
- What can you tell your friends and families about this week?

Our Big Deal is, "One of a Kind! God Made Me Special!

One of a Kind!*( hold 1 finger out in front of you)*

God *(Point Up)*

Made Me Special! *(show two thumbs up)*

"We are all unique, one of a kind, and special to God! God has a special place for each of us- to be a part of His family."

## Prepare kids to talk with their family about what they learned today.

- Pass out coloring pages for kids to take home.
- As family members arrive to pick up their kid, greet them and tell them one thing you noticed about their kid that day or something you talked to each kid about remembering this week.
- If there is time to chat with the family, ask how you can pray for them this week.
- Say bye to the kids and call them by name.
