their first steps with Jesus.

Jesus taught that people who hear and obey Him are like a builder who built on rock. Storms come, but a strong foundation stands firm. When we trust Jesus, He changes our hearts and helps us follow Him every day.

BIBLE- The Wise and Foolish Builders- Matthew 7:24-29

Study

Read: Matthew 7:24-29

Highlight: Matthew 7:24-25

Reflect: Based on what Jesus taught about a strong foundation in God, which reflection question can you ponder on this week?

1. What things do I need to let go of that are not keeping my foundation in God strong?
2. What things should I add to my life to keep building a strong foundation in God?
3. What does it look like to live like Jesus?

Pray: *God, thank You for creating me to do good things in Your kingdom. Help me listen to and obey You so my life is built on a strong foundation. Teach me to live like You every day. Amen.*

Leader Tips

"Let your light shine before others, so that they may see your good words and give glory to your father in heaven." Matthew 5:16b

For some people, being in the spotlight feels uncomfortable. For others, it comes naturally. No matter how you are wired, God created you on purpose and for a purpose: to shine His light to the people around you. Whether you prefer center stage or working behind the scenes, your life is meant to reflect Him. Through your words, actions, and the way you live out your purpose, you can point others to God's goodness. How are you using your influence to reflect what God has done in and through your life?
