Bible Story: Salt and Light- Matthew 5:13-16

Big Idea: God shines His light through us.

The Win: Kids who can identify and take their next step of discipleship by embracing a preschooler's physical needs or engaging an elementary kid in things that interest them.

Wednesday Share:

Tonight during Impact Kids, we looked at Matthew 5:13-16. Jesus says to be the salt of the earth, bringing flavor to the world around us. He also says to be the light of the world and not to hide our lights. Our good deeds can be like lights that point out God's glory and bring him praise. Talk about this as a family: When have you seen God's light through someone else?

Dig Deeper

You'll Be Teaching: God shines his light through us. This lesson is built on a metaphor, which can be hard for younger kids to understand. We've tried to make the lesson really concrete so kids can understand what it means that God shines his light through us. Try to stick with the language in the lesson as much as possible to avoid confusing kids with too much abstract thinking.

Think About: When have you seen God's light through someone else?

Dig In to Prayer

Ask God to use your kids in mighty, amazing ways by shining his light through them.
