Aaron and Hur helped Moses when he grew tired, showing us that God created us to support one another because we are better together.

BIBLE- Aaron and Hur Helped Moses- Exodus 17:8-15

Study

Read: Exodus 17:8-15

Highlight: Exodus 17:11-13

Reflect: The Israelites experienced victory when Aaron and Hur helped Moses hold up his hands. How can you help someone and demonstrate that we are better together?

1. I can volunteer in a new way at church.
2. I can help a neighbor in need.
3. I can meet with a friend and offer encouragement and support.

Pray: God, You created me to enjoy life in community with others. Thank You for giving me people who can help and encourage me. Please work through me to be helpful to others too. We are better together. Amen.

Connect: When has someone helped you follow God, and what did that person do? How can we help each other in life and in faith?

"A friend loves at all times." Proverbs 17: 17a

What a beautiful picture of community. This month we help kids find value in the relationships that help point them to Jesus. It is a great time to share how Biblical community has poured into you. If you haven't experienced that yet, talk to your campus pastor. They would love to help you find your connection.

Our prayers are with you continually. If we can pray anything specific please reach out to your campus leader.
