Family Table

What to Do:

As you gather everyone to eat, discuss these questions together. If one question takes the whole time, that is great. Your group has a great dynamic and feels comfortable talking to you and the group. Serve pizza, put names on water bottles, collect trash and clean up/wipe down tables and wash hands.

TALK ABOUT IT:

- Introduce yourself and welcome kids by name.
- Ask kids to share what happened during their day at school, home, etc.
- Ask kids to share new things or old things they are learning.
- Ask kids to share how they have seen God working this week.
- **For fun:** What do you think it's like to be a detective and solve mysteries?
- **This week:** If someone needed help finding out what is true, what would you tell them to do? • Name some trusted people you can talk to if you need help learning the truth about something.

Social Game

10-Second Truth Challenge

How to Play: Choose a volunteer and give them 10 seconds to name as many things as they can that are true about Jesus.

Examples:

- Jesus loves me.
- Jesus died for my sins.
- Jesus rose from the dead.
- Jesus is God's Son.
- Jesus forgives sins.

After 10 seconds, let another child take a turn with a different category:

- Things that are true about God
- Things that are true from the Bible
- Ways we can follow Jesus

Debrief:

Ask: Was it easier or harder than you expected to think of true things?

Say: The Bible teaches us what is true about God and Jesus. The more we learn God's truth, the more ready we are to share it with others.

Video & Bible

Watch "Paul and Silas"

Say: Paul told people about Jesus even in jail. The Bible is God's Word. The Bible says we are saved when we hear and believe the gospel."

What to Do: Pass out Activity Pages and Bibles to each kid with a pencil.

SAY:

- Today we're reading from Acts 17:22-33. (Pg 1227) Let's find it together in our Bibles.
- Acts is in the New Testament, the part of the Bible that tells about Jesus and life after His resurrection. Acts is right after the Gospels. Circle New Testament on your worksheet.
- To find it, start at the middle of your Bible then flip past Matthew, Mark, Luke and John. Look for Acts, then find the big number 17 (chapter 17).
- Next, find the small numbers 22-33 (verses 22-33). If you find it first, help someone nearby. Separate each of these and ask different kids to read each one.
- Once everyone is there, take turns reading the verses aloud together and listen for what God teaches us because of Paul and Silas.

Discussion

Let's spend a few minutes processing what we have learned from the Bible today.

- What would you say the word true means?
- What are some educational books, videos, or apps that have helped you learn something true or important? (Ideas: animals, communities, geography, food, etc.)
- What are some things that don't always help us find the truth?
- What are some things the Bible can help you learn the truth about?
- What is something you want to know the truth about?
- If someone needed help finding out what is true, what would you tell them to do?

Practice

Truth or Trash
Supplies: Truth or Trash Scenarios (1 per group)
Say: God's truth is something to love and trust. But not everything we hear is true. False stuff is worse than slimy trash—throw it away from your heart and mind as fast as you can. Let's play a game about that.

- Kids sit in a circle with space between each kid.
- Read a statement from the Truth or Trash Scenarios.
- Each kid responds to the statement: • If the statement is truth: kids jump up high with thumbs up in the air. • If the statement is trash (a lie): kids pretend to throw a blob of disgusting slime into a trash bin.
- Reveal whether the statement was truth or trash.
- Reset to seated position.
- Ask kids if they've ever heard the truth or the lie you just read before. They can share about it if they want.
- Repeat as time allows.

Family Discipleship

What to Do: Your handout today is designed to help you remember what we learned. Take it home and share it with a family member, then ask them to go through it with you. We also want to hear how the other challenges are going. What are you learning? How is God helping you grow? Be ready to share your experiences with the group!
Leader Tip: Encourage families to look at the kid's work as they show up to pick up their kids.
