IN DISCIPLESHIP

November 4, 2026- Disciples have faith that shows.

Bible-John 15:1-17- The Vine and Branches

Disciples make Jesus part of every day.

Read: John 15: 1-17

Highlight: John 15:5

Reflect: Jesus describes Himself as the true vine and His followers as the branches. When we stay connected to Him through faith, prayer, obedience, and His Word, He produces spiritual fruit in our lives and enables us to love others the way He has loved us.

- What does my daily connection with Jesus look like, and are there areas where I have become disconnected from Him?
- Which fruit is God currently trying to grow in my life, and what might be hindering that growth?
- How can I intentionally demonstrate Jesus' sacrificial love to someone this week, especially when it requires inconvenience or selflessness?

Pray: *Father God, thank You for being our vine. We cling to You and desire to follow You with everything we have. Give us wisdom this week to find ways to know that You are supporting each of us and care about every one of our needs. Help us use the fruit to guide others to You and your sustaining power. In Jesus' Name, Amen!*
