next steps
IN DISCIPLESHIP

October 28, 2026- Disciples love people well.

Bible-Luke 10: 25-37- The Parable of the Good Samaritan

Disciples build relationships that point each other to Jesus.

Read: Luke 10:25-37

Highlight: Luke 10:27 & 37

Reflect: Jesus told the story of a Samaritan who stopped to help an injured man after others had passed by. Through this parable, Jesus taught that loving our neighbor means showing mercy and compassion to anyone in need, regardless of differences, inconvenience, or personal cost.

- Who are the people in my life that I find difficult to notice, help, or care for, and why?
- How might God be calling me to move beyond good intentions and take practical action to show compassion?
- What barriers—such as busyness, fear, prejudice, or inconvenience—keep me from loving others the way Jesus taught

Pray: *Father God, thank You for Your Word! We are learning so much together about how to be friends that point each other to Jesus and grow to love and follow You with our whole lives. Help us each take all of these things and work to build our lives to honor You. We love You Lord and thank You for the gift of today. In Jesus' name, Amen!*

Connect: A neighbor is not just someone who lives near us; it is anyone whose need God places in front of us. Compassion is demonstrated not merely by what we feel, but by what we do. This is a great time to pick up an Operation Christmas Child shoebox and fill it for a kid in a developing country. As you fill it, consider their needs and wants and pray that God uses the gifts you choose to speak to their heart and encourage them.
