Family Table

What to Do:

As you gather everyone to eat, discuss these questions together. If one question takes the whole time, that is great. Your group has a great dynamic and feels comfortable talking to you and the group. Serve pizza, put names on water bottles, collect trash and clean up/wipe down tables and wash hands.

TALK ABOUT IT:

- Introduce yourself and welcome kids by name.
- Ask kids to share what happened during their day at school, home, etc.
- Ask kids to share new things or old things they are learning.
- Ask kids to share how they have seen God working this week.
- **For fun:** What do you think you'd need to make the perfect plate of nachos?
- **This week:** Name as many people as you can think of. They're all your neighbors!

Social Game

Helping Hand Charades

How to Play

1. Have kids stand in a circle.
2. Whisper a simple action to one child or show them a picture card.
3. The child acts it out without talking while everyone else guesses.
4. After the action is guessed, briefly discuss how it helps someone.

Charade Scenarios:

- Helping someone who fell down
- Giving someone a hug
- Carrying groceries
- Helping clean up a mess
- Comforting a sad friend
- Sharing a toy
- Bringing a friend a bandage
- Holding a door open
- Giving someone a drink of water
- Walking a friend to safety

Bible Connection

Say: "In today's Bible story, Jesus told about a man who was hurt and needed help. Some people walked right by, but one man stopped and cared for him. Jesus wants us to be like that helper and show love to people who need it."

Video & Pray

Watch "Parable of the Good Samaritan"

Say: I think you know this story very well. It is good to know things that we learn in the Bible. It is even better when we know them and do our best to follow them so others can know Jesus too.

Pray: *Jesus, thank You for the example you taught about the Good Samaritan. We know we don't always think about this story when we see people in need. Help us find ways to remember Your Word and to do it. We love you and thank You for who You are to each of us. In Jesus' name, Amen!*

Say: Our next game helps us practice the words from our Bible story today so that when we see someone in need we can begin to think of ways we could help. Whether we pray, help them, or get someone else to help, I hope you find some ways to show your love for God by loving others.

Activity

So Many Neighbors

Supplies: muslin doll (1 per group) Bandage Labels sheet (1 sheet per group)

To Do

- Show kids the doll. Say: Let's pretend this doll is our neighbor. They need help! They're sick, hungry, cold, hurt, and need a friend to talk to.
- Let's say today's Point together to remind us what to do.
- Say the point together: Good neighbors care, share, and they're always there.
- Give each kid a label marked with a "©" from the first column of the bandage labels sheet. If you have extra labels, give kids more than one.
- Kids pass the doll around to stick the bandages onto the doll to spell out the point.
- Remove labels from the doll, and repeat the game with the labels marked with a "™" from the second column of the bandage labels sheet, but time kids with a timer on your phone or by counting.
- If time allows, repeat the game with labels marked with a "\$" from the third column.
- Challenge kids to beat their previous time.

Review: Good neighbors care, share, and they're always there. Say that with me "Good neighbors care, share, and they're always there."

Talk About It:

- Name as many people as you can think of. They're all your neighbors!
- What do you think it takes to be a good neighbor?
- Share a time someone was a good neighbor to you.
- How can you be a good neighbor if a kid acts mean?

Jesus taught that a good neighbor is someone who helps others when they are hurt or in need. We can show God's love by being kind, caring, and helping people around us. God wants me to show love to everyone.

Color Page

What to Do: Distribute the coloring pages and crayons. **Say:** Disciples love people well.

Allow time for kids to color.

Leader Tip: Encourage families to look at the kid's work as they show up to pick up their kids.
