This fee is for any time prior to 6:30am and past 6:30pm. It will be \$1.00 per minute.

Medications

Please let us know if your child needs to receive prescription medication during the time that he/she is with us. We will not dispense medicine without a completed medication form. Medication should be brought in by the parent in the original, non-breakable container marked clearly with the child's name, name of medication, and dosage your child needs. Over the counter medications will not be given.

Accidents/Emergencies

In case of accident or injury, you will be notified immediately. In the event that we are unable to reach you or your designated emergency contacts, your child will be taken to the nearest designated facility for initial emergency care. In the event of an accident, we will call 911 for immediate assistance.

Drop Off/Pick Up

Only a parent, guardian, or authorized person on your child's registration form may sign out your child. A student cannot sign out another student. We will only release your child to someone who is currently on your pick up list. If you need to make other arrangements, you can provide it in writing, phone call, email, or fax using your child's personal security code you provided on the application.

Lunch/Snacks

Your child is required to bring his/her own lunch each full day. This lunch should be a cold lunch. Reheating items will not be allowed by state law. Be sure to pack a nutritious lunch with a drink. A morning snack and afternoon snack will be provided each day. We have a daily schedule of the snacks we will be serving. If your child does not eat that snack or needs more to eat, please put something extra in the lunch box.

Items From Home

Your child should not bring money, toys, games, stuffed animals, cell phones, electronics or any type of gadgets to Planet 82.

Down Time

Your child will be provided a mat to rest on. You will need to provide a blanket or beach towel for your child. No pillows or pillow pets are allowed because of a potential lice problem. These will need to be brought from home on Monday and taken home each Friday to be washed.

Water Days And Field Trips

"Water Days" may be scheduled during the summer. Please remember on Water Days to send swimsuit, t-shirt to cover swimsuit, towel, sunscreen and dry clothes. If your child does not bring swim clothes, he/she cannot get wet. We are planning a few field trips. We will wear our Planet 82 t-shirts on all of our trips. Your child will be transported by church bus to the field trip location. A form for each trip will need to be signed and on file at Planet 82 to be able to ride the bus.

Dress Code For Summer Camp And Full Days

Students are expected to dress appropriately at Planet 82. We will be playing indoors and outdoors each day. Please be sure to send your child in clothes that can get dirty. Shorts must be an appropriate length of 3 inches from the top of the knee (no short shorts) and tops should cover the torso and not be low-cut. If students are not dressed appropriately, they will be asked to change clothes. NO flip flops except on Water Days.

Discipline

We will use clear instruction and positive reinforcement to encourage appropriate behavior. There may be times, however, when discipline for inappropriate behavior is necessary. Discipline will not be associated with food, rest, or restroom privileges. No physical form of corporal punishment will be administered by Planet 82 staff. Extreme discipline problems will be referred to the Director. The rules for Planet 82 are based on values that are important for children to learn.

The values are as follows:

✚ *The Value of LOVE* – Love God with all your heart and love those around you as you do yourself.

Treat people with kindness and mercy, just like you want to be treated!

- ♥ **GROWING IN ATTENTIVENESS** - Attentiveness is listening with my ears, eyes and heart.
- ♥ **GROWING IN SELF CONTROL** - Self Control is keeping my mind, mouth and movements from going in bad directions.
- ♥ **GROWING IN DILIGENCE** - Diligence is working hard to accomplish a task.
- ♥ **GROWING IN WISDOM** - Wisdom is aiming my life toward what God says is the right direction.
- ♥ **GROWING IN KINDNESS** - Kindness is treating people with love and respect.

The rules are as follows:

If the child remains at Planet 82, he/she will take part in a special project (service project or character-aimed writing project) for the remainder of the day.

MORE SERIOUS SITUATIONS:

**THE GOOD NEWS OF KING JESUS IS THE
ULTIMATE POWER OF GOD FOR OUR RESCUE!**

The Good News is the story of King Jesus. Even though He was and is the Son of God, He came to earth on a rescue mission as a Jewish man just over 2,000 years ago.

He came to fix a really big problem that we started. Because man decided to rebel against what God told them to do (we call this sin), everything in the world has been blinded and broken by the power of sin which always ends in the darkness of death!

Jesus came as the true light of the world because He lived His life in perfect **SELF CONTROL** in the face of every temptation, complete **OBEDIENCE** to His Father's commands and humble **KINDNESS** toward men, women and children! Then Jesus defeated the power of sin by the greatest act of **LOVE** the world has ever known – His voluntary death on a cross for us. He defeated the power of death when He rose from the grave and won the **FORGIVENESS** of God for all people who call upon the name of King Jesus!

He is the true King of the World and He will one day return from His heavenly throne and set everything right. One day every knee will bow to Him in **WORSHIP**! King Jesus invites everyone to believe in Him and turn from sin and live with **ATTENTIVENESS** to everything He says in His Word to us – the Bible!

Trusting in the **WORK** of Jesus (not doing good things to win God's favor) is the only way back into a good standing with God and a life of **WISDOM** rather than waste. We **SPEAK THE TRUTH** of the news of what Jesus has done for us because the amazing story of King Jesus changes everything in our lives and one day in the whole world!

We invite you to join us any Sunday for Equipping Hour and Worship.
Our services begin at 9:30am for Equipping Hour and 10:45am for Worship.
We have an awesome children's program for all ages.
You and your family are always welcome!
