Seven Years of serving in Japan

We are three quarters of the way finished through this semester. Earlier this month, we celebrated Easter, and we were blessed with such wonderful weather. The CBI students and some of the leadership team went on a mission trip to Taiwan. A few of us stayed behind to serve and watch over the church.

Emi and I continue to make plans and research for our wedding. We are both excited and blessed for the future, and we continue to trust in God to guide us. I rejoice and praise God for leading us together, and everyday I feel greatly blessed to have her by my side. The wedding is still some time away, but we both know that it will be here in a blink of an eye.

I am still at work on broadcasting the SOS Japan posts on Instagram encouraging young people to join us in Japan this summer. Emi is a tremendous help in giving inspiration and tweaks, as she is more of the social media expert than I am.

The Sunday Night Kids' Ministry continues to grow, as some of the pastors lead the Gospel Gamer, a night where kids play games together, learn Biblical teachings, and play activities in accordance to the teachings. Our Gospel Gamer leader, Pastor Eder, has already received attention from big Christian activity/gaming organizations and communities. We are also making plans on hosting game tournaments for the local kids, as well as meeting with the Japanese Christian gaming organizations. We see God's hand in this ministry, and we will continue to faithfully serve.

This month, we will begin the Language program in the new building next to the church. We will be educating our staff, myself included, in Japanese, in order to take and succeed in the Japanese Proficiency Tests. We are planning and working ahead to prepare for the possibility of our visas requiring the language proficiency test.

I am grateful for those who continue to support and pray over the ministry in Japan, reaching out to the people here, as well as raising up young aspiring believers in the Word. If you wish to give further support, here is the updated link for the GoinChrist Outreach page: <https://goinchrist.com/missionaries/entry/24543/>

Prayer Requests

I would like prayer requests for preparing for the upcoming Summer of Service. We are making more posts, and we are awaiting the applicants to finalize their processes.

Emi and I would like prayers for preparing for our wedding. We are making great progress in looking ahead and planning. We both could not contain our excitement.

Prayers for the summer. Alongside SOS Japan, I have been praying about the idea of SOS Montana in July. Financially, I am not too certain, yet I believe if God so leads me, perhaps I shall go.

Please continue to pray for the families in Miyagi. I pray that the Lord will continue to use the Robb family and the Cameron family for His glory in the north.
