

Emi and I are still praying for different visions, for Hokkaido and for other ministries. We have recently started a new youth ministry in relationship with the Gospel Gamer ministry. The youth side has been growing steadily, as we gathered more members, and these youth were also quite knowledgeable of the Bible. The Gospel Gamer and Kids Minister have been looking to possibly acquire a Nintendo Switch 2, so prayers that God would lead us in wisdom and timing of purchase or not.

One of our beloved church families are heading back to the States, to support and take over a church. It will be very bittersweet, as it is sad to see them depart, yet exciting to see what they will bring from Japan into the American church.

The same family also told Emi and I that we can take their furniture that we might like for our future home. We all still have time before all of the big changes happen, but I can see a lot of God's provision already happening.

I am grateful for those who continue to support and pray over the ministry in Japan, reaching out to the people here, as well as raising up young aspiring believers in the Word. If you wish to give further support, here is the updated link for the GoinChrist Outreach page: <https://goinchrist.com/missionaries/entry/24543/>

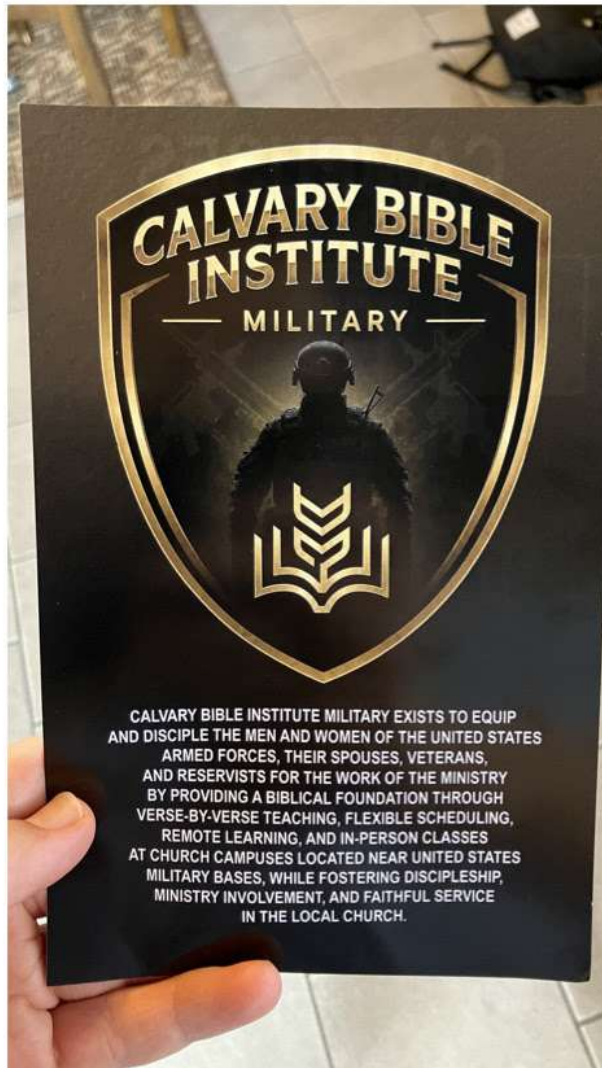

Prayer Requests

Prayer for our brother, Jediah, for his medical situations to improve. He has been released from the hospital and is the process of further recovery in his home state Idaho.

Continue to pray for Emi and my wedding preparations. We are looking into different materials and getting wedding bands soon. And mentioned earlier, our prayer for a new car and home. I trust God in leading us and guiding us in every step of the way. I am also thankful for God's gift of Emi's unending patience and support for me.

Prayer for my family rifts to be mended with my siblings.

Prayers for Japan, for especially for the Miyagi Prefecture and the Hokkaido Prefecture. While my ministry has ended in Miyagi and the vision continues for Hokkaido, I pray that God will do great works in those areas and the ² rest of Japan.

Prayer for the beloved church family who will be moving out soon. They had been one of our core members and ministers of the family, and we pray that they would bring that same heart and ministry into new life in America.

Prayer for the next CBI Semester. With the many potential students, we will have a full class. I pray that our hearts will be full of love and service for them. I pray that the students will have an open hearts to serve and learn in the semester. Our coming semester will also introduce the CBI Military program.

CAMPUSES
ONE WORD. EVERY BRANCH.
