Hey, I'm Rick. It's my privilege to introduce you to Christ Community Church. My wife, Jill, and I came to CCC in 2016 as the Student Ministry Pastor. When we stepped into the building, she said to me, "This is home." We feel it. It's a family and I love it! Since then, God has called me to be the Lead Pastor and I have seen God faithfully working in and through His people to fulfill His purpose in the Waseca community. We can't wait to see what God is going to do next!

Waseca and southern Minnesota is a rich agriculture area. Fields surround Christ Community Church; the church was built on a cornfield, in fact. There was a dream that God would use this local church to produce a spiritual harvest equal to the number of ears of corn that the field would produce. What an awesome dream! Indeed, God is faithfully producing a spiritual harvest through Christ Community Church. The statement is just as true today, "the field is ripe for the harvest!" Are you ready to join a great team, working in this field with us? We're praying that we can build the Family of God, one person at a time!

-Pastor Rick.

CHRIST COMMUNITY CHURCH

Our Mission

We exist to love God as we obey His command to love our neighbors well and to experience Jesus together as we multiply disciples across the street and around the world.

Our Core Values

Evangelism and Disciple-Making, Authentic Worship, Genuine Community, Missions, Love

Our Disciple-Making Pathway

Being Light, Bringing Hope,
Building a Family

Being Light

Jesus is the Light of the World! And whoever walks with Him walks in His light. As followers of Jesus, we reflect His light and light up the world for Him. We love God by obeying His command to love our neighbor well as we shine His light.

Bringing Hope

Jesus is the hope of the world. We exist to bring this hope to everyone around us. It's what drives us, what energizes us, and what gives us purpose. The great commission is an opportunity to make disciples of all people, and you get to be a part of bringing hope, too!

Building a Family

Experience the life-changing power of Jesus with us! As we connect with God and with one another, we experience Jesus together. Here at Christ Community Church, as we multiply disciples, we are building the Family of God one person at a time.

ABOUT US

Christ Community Church (CCC) of Waseca is located in southern Minnesota, about an hour south of the Twin Cities. Our church was incorporated in 1960 and is associated with the Evangelical Free Church of America. We built and relocated to our current location in 2004 and due to a vibrant and growing kids and student ministries, finished a necessary addition to our facility in 2014.

Waseca is often described as a great place to raise a family. Our city offers a charming, small-town environment, rich in history and outdoor activities including beautiful walking and biking trails along with easy access to our two lakes. With an attitude of hometown hospitality, Waseca goes beyond city limits to extend its benefits to the neighboring small-town communities around us. The merging of these communities is especially evident during popular seasonal events such as July 4th's Lake Fest, the Waseca Marching Classic, and the Sleigh & Cutter Festival.

CONTINUED...

A typical church service at CCC could be described as an energetic environment, including Scripture-based messages and authentic worship. We primarily sing modern songs that intentionally point us to worship God with our whole heart.

We are a growing church with dynamic Kids Ministries, including AWANA, Vacation Bible School, and Kid's Church. Our student ministry is also very active and includes many student activities and events scheduled throughout the year. We are locally known for these ministries and use them as an outreach opportunity in our community. We've recently established a group for young adults. Our church offers opportunities for small groups, life groups, and Bible studies for all ages to build community and promote spiritual growth.
