**Discipleship Groups — Level 8**
**WEEK 6**

# Wisdom for Living: Honesty

1. Why is it sometimes difficult to tell the truth?

2. Are there "little lies" that we have culturally come to consider normal?

3. What can we learn from Daniel about our public and private lives?

4. Is there any area where God is calling us to live with greater transparency?

## CHALLENGE OF THE WEEK

Ask yourself this question before God: *Is there anything I am hiding, exaggerating, pretending about, or justifying that I need to set right?*

Do not just identify the problem. Take a concrete step to correct it. This could mean acknowledging a mistake, asking for forgiveness, telling the truth, returning something, keeping a promise, or giving up a wrong practice.
