From The Pastor's Desk

Pastor Jon Horton

Tonight is our annual Stewardship Banquet. This is a time we focus on not only submitting our finances to God but we present the current need of our church and facilities. It is through this yearly offering, we obtained the funds to buy this building, to pay off our debt and to remodel the kitchen and gym. It is now time to grow again and go to a new level in our ministry. It is exciting, and it will open doors to influence people that we have not yet reached for Christ. Our goal is to raise \$100,000 for the expansion of our educational facilities so we have more room for Sunday school classes and nurseries which will eventually allow us to expand our auditorium. The most exciting thing about our goal is that if we can get just 275 people to give one dollar a day, we can reach our goal. Gospel Light has never reached their goals through big financial donors, but always through a group of people doing what they can. That is all we are asking for this year as well – to ask the Lord what He wants you to do.

If you are our guest today, thank you for being here. I trust that you will feel the warmth of the preaching of God's Word and the love from the people of Gospel Light Baptist Church. If there is anything that I can personally do for you, please do not hesitate to ask me.
