MINISTRY

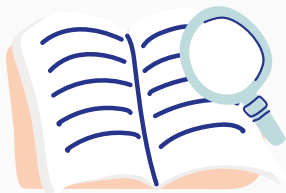

ABOUT US

Our vision is to build a united church where language is not a barrier to faith or community. Our mission is to serve with excellence and love by clearly sharing God's Word in Spanish.

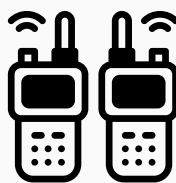

CONNECT

When Spanish-Speaking members first attend Solid Rock Church, we want to ensure that they know Interpretation is available! Connecting with new Spanish-Speaking members as the Interpretation Team is one way to make members known that we are family!

STUDY

Prior to Sunday Service the Interpretation team studies the sermon to fully understand the message in an effort to adequately translate the Word of God. The Interpretation Team serves throughout the entire service, rotating with other team members weekly.

TECH-CARE

God has blessed us with the ability to own technological devices to provide to use in our ministry. As such, the Interpretation Team is in charge of taking care of products and devices, ensuring they get distributed and returned to our Spanish-Speaking family members.

Join our ministry today, y bendice a nuestros hermanos!
