

## Pre-requisites to serve

- Have taken Advance Discipleship Training 101-401
- What you need most is a willing heart. We will train you on the rest, and have fun while doing it!

**USHERS**  
MINISTRY

## WHAT IS THE USHER TEAM?

The Ushers are an integral part of the service and serve as an extension of the Pastor. We make sure there is Order during the service and support our Pastor and leaders at the pulpit when they are praying over the congregation.

*If you have a desire to serve and more importantly have a heart to serve, we invite you to join this Ministry.*

## WHAT DO WE DO?

- Greet and lead members and visitors to their seats.
- Help collect offerings.
- Prepare the congregation with the Communion Elements.
- Prepare members for Baptism
- Prepare families for Child Dedications
- Assist during Special events when needed.
- We pray for each other
- We pray for church members and visitors specially during altar call
- We serve as eyes and ears for our Pastor (or whomever is leading) and provide support for the congregation as needed.
- We make sure there is Order during the service
- We help visitors find their way around our campus
- We support the security team during emergencies and contingencies.

## PSALM 84:10

*"Better is one day in your courts than a thousand elsewhere; I would rather be a door keeper of the house of my God than dwell in the tents of the wicked."*
