The Lies We Believe – Week 2: This is My Life

Who's Really in Control?

What are some areas of your life where you still struggle to surrender control to God, even after surrendering your life to Christ? What makes those areas hard to release to God?

Voices That Shape Us

The sermon highlights how people can influence the direction of our lives. Who currently has the most influence in your life, and are they leading you closer to Christ or further away? How can you evaluate and adjust those influences?

The Daily Battle Within

Have you experienced the tension between your flesh and the Holy Spirit? What does that battle look like in your everyday decisions, and how do you typically respond?

Freedom Misunderstood

The world says freedom is doing whatever we want, but Scripture teaches that true freedom is found in submission to Christ. Which places us under the authority and protection of Christ. How have you personally seen the difference between self-indulgence and Spirit-led freedom play out in your life or others' lives?

What Marks Your Life?

If someone close to you evaluated your life honestly, would they say it's marked more by the acts of the flesh or the fruit of the Spirit? What is one practical step you can take this week to better "keep in step with the Spirit"?

Prayer Prompt

Lord, thank You for reminding us that our lives are not our own, but belong to You. Help us to surrender daily, resist the lies of the enemy, and walk in step with Your Spirit. Shape our lives to reflect Your truth, producing love, obedience, and the fruit that honors You. Amen.
