

## Why are Pastor's Prayer Partners so important?

First, Pastor Haley needs our prayers for many reasons: the pressures of ministry, the desire to maintain God's anointing, the lost souls in our community, etc. All are reasons Pastor Haley needs us to lift him up in prayer, especially as he preaches each week. Pastor Haley needs our prayers for the Lord to speak through him to our church. He also needs us to pray for his family to be as strong as ever. God has blessed our pastor with a godly wife and children. We must lift his marriage up to the Lord and continue to pray for protection over his children.

Second, our church staff, church leadership, church members and overall ministries need constant prayer. We want people who come into our church to feel the presence of the Lord here. We don't want anything to separate our church from God's power. Keeping clean hearts and close walks with the Lord is what we are after here at FBC Baldwyn. An active prayer life and a completely surrendered heart to God will keep our church holy, unified, and healthy.

Third, during our services each week, we need prayer partners to pray specifically for those without Christ to hear the message clearly. We want God to use Pastor Haley and our worship team to reach people who don't know the Lord. This is the mission of our church and we want to see more people come to know Christ in a personal, dynamic relationship.
