

The Kirk is blessed with a number of endowment funds that provide considerable support of the annual operating costs of the church. These funds are intended to supplement member stewardship giving; not replace it. The principal is invested in assets that earn interest, dividends and capital gains. The principal is not intended to be spent, even as the value increases. The Board of Trustees, as part of their responsibility to preserve and protect the assets of the Kirk, carefully assesses the appropriate level of distributions from each fund.

Through the thoughtful and generous contributions of members and friends, endowed funds broaden and deepen the Kirk's ministry. You can leave a legacy by helping to perpetuate the Kirks ministry for today and future generations in our community of faith. For more information about the endowment funds, making a bequest in your will or another form of legacy gift to the Kirk, please contact Business Manager Jayne Zellers:
