

Thank you for your interest in one of our events! At Journey, our purpose is to help people find and follow Jesus. Students often experience this through the camps, activities, and fellowship, with a group of their peers. Because of this, we want to remove any barriers that could keep our young people from attending.

Please prayerfully consider what is affordable to your family. Full and partial scholarships are available to all families and their students. By providing us with the information below, you can select the option that best fits your needs. As an option within our scholarship program, you and/or your student can choose to serve in special ministries, in which Journey offers, in exchange for scholarship credit. While serving is not required to obtain a scholarship, we ask that you pray with your student about where they can serve. Then, reach out to Pastor Jason for additional information at jason@journeycamas.org.
