SCHOOL OF THE BIBLE

School of the Bible

meets twice per month for eight weeks. Each course covers one of a four-part series:

- THE OLD TESTAMENT OVERVIEW
- THE NEW TESTAMENT OVERVIEW
- WHAT CHRISTIANS BELIEVE
- ANSWERS TO DIFFICULT QUESTIONS

A Four-Part Series of CHRISTIAN BASICS

School of the Bible is an excellent way to begin learning the basics of Christianity. Each class is designed to help you learn and grow in your faith, and provides a deeper knowledge of God. You can take one class or two, or all four to earn a certificate of completion.

ANSWERS TO DIFFICULT QUESTIONS - FALL 2022

Have you ever been asked a question that you didn't know how to answer about Christianity? Difficult questions do have answers... answers from the Bible that can change your life, answers from the laws of logic, and even answers from the field of Science that provide compelling reasons for things like the existence of God. This class will equip you to engage a skeptical culture with good reasons to trust that the Christian faith is true.

THE OLD TESTAMENT OVERVIEW - SPRING 2023

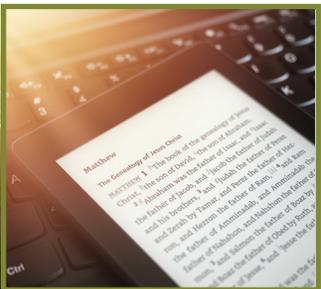

Did you know that the Old Testament contains more than 2/3 of the text of the Bible? The timeline from Genesis through Malachi covers thousands of years. There is inspiration, poetry, unmatched wisdom and so much more! You will be guided through each book's historical background, major themes and insights into the characters and teachings of that time. You might be surprised how much those ancient stories can teach us about God and apply to the human condition.

THE NEW TESTAMENT OVERVIEW - FALL 2023

The New Testament is exciting because we get a close up look into the life of Jesus from four different eye-witness accounts. We also get to experience what the early church looked like, and learn how the Holy Spirit changed the lives of the disciples and continues to have an impact today. From Matthew to Revelation, we will touch on all the major themes, background settings and content to grow in our knowledge of the New Testament.

WHAT CHRISTIANS BELIEVE - SPRING 2024

Have you ever wondered what the Bible has to say about the authority of the Bible or salvation? Maybe you've wondered about the works of the Spirit or the End Times? If so, this class is for you! "What Christians Believe" will cover some of the most relevant doctrines and beliefs of the Christian faith. This class will also help believers at any stage have a well-grounded foundation to back up their faith in life and in conversations.
