

Important Notice to All King's Kids Parents:

King's Kids is a license exempt preschool through the Alabama Department of Human Resources. Part of the requirements to maintain our exemption status each year is that every student have 3 documents on file at our school. These 3 documents are:

- **Notarized Affidavit** stating that you have been informed that we are operating as a license exempt facility. (*We do not receive funds from DHR and no children at our facility are paying with DHR subsidized funds. Furthermore, we teach a religious curriculum.*) This means we comply with DHR standards and are accountable to them for best practices.
- **Child Medical History** form that will need to be filled out by your child's pediatrician or primary care doctor. Your pediatrician is able to sign off on this form *without* an appointment If your child has had a well check up within the last 12 months. If your child has not been seen for their well check up within the last 12 months, then an appointment will need to be made to have the form filled out.
- **Immunization Form** Contact your child's pediatrician or primary care provider and ask for a copy of their Immunization record. (*A religious exemption letter is also acceptable and would need to be turned in.*)

These documents will be completed annually and must be turned in by the **first day of school**. For your convenience, a notary is available in the church office Monday-Thursday 8am to 5pm.
