

KEEPING UP WITH HOPE PRESBYTERIAN

September 2026

FROM THE PASTOR'S DESK...

“Do you not say, ‘Four more months and then the harvest?’” I tell you, open your eyes, and look at the fields! They are ripe for harvest.” These words remind us to recognize spiritual readiness around us and to respond with urgency as we share God’s message. **John 4:35.**

Ubuntu: “I Am Because We Are.” Mary Ellen Lloyd shared several books with me, and one that especially stood out was Ubuntu. Ubuntu is a philosophy that emphasizes the interconnectedness of all people, the importance of community, and the call to mutual care. The word itself is often

translated as “humanity toward others” or “I am because we are.” About a month ago, Jennie Stoner also presented me with a picture that now hangs outside my office. To me, it beautifully reflects this same message of interconnectedness for us all.

Representing Hope at Wheaton College.

As we begin this month, I am pleased to share that Sandra Jordan and Claudia Taylor represented Hope Presbyterian Church, along with Jennie Stoner and Jacquetta Carter, at the Chaplain and Ministry Fair at Wheaton College on September 3rd.

Their goal was to introduce Hope to students and administrators and to show that our ministry is alive, vibrant, and welcoming. I am grateful for their preparation, including the development of an elevator speech to share our story clearly. They offered treats, held meaningful conversations with young people, and encouraged students to visit our church.

Growing Together in Evangelism. Over the next three weeks, we will begin reading Randy Newman's *Mere Evangelism*, a guide to sharing the Christian faith through insights from C.S. Lewis and *Mere Christianity*. Newman combines practical evangelistic strategies with storytelling, humor, and grace-filled wisdom. We will approach this study in two ways: Jennie Stoner will teach on Thursdays at 6:00 p.m., and I will share on Sundays at 11:15 a.m. Preparing for the Fair and engaging with others has reminded me that many of us continue to wrestle with how best to share the gospel message and reach a broader audience. As we also pray that Hope will soon

receive the grant from the Chicago Presbytery, I have been reflecting on the need to strengthen our members in faithful, thoughtful ways of reaching others. As we embark on this new adventure together, let us bow in humble submission to the Master's words. Closing Prayer. Lord of the harvest, open our eyes to the fields around us and give us hearts that are ready to serve. Strengthen Hope Presbyterian Church in faith, unity, and love, and guide us as we seek to share your good news with humility, courage, and grace. May our words and actions reflect the spirit of Ubuntu, reminding us that we belong to one another because we belong first to You. Amen.

Humbly submitted by Rev. Dr. R. Keith Beauchamp, Pastor

HOPE'S WELCOMING STATEMENT

Hope strives to be a safe haven for God's unconditional love. Every person is invited and encouraged to participate in all Hope's activities and roles, including membership and leadership. In this world, most human conflicts and separations are caused by our differences, like race, ethnicity, gender, sexual orientation, economic status, political positions, and more. Hope embraces diversity and welcomes all who come through our doors, without exception.

HOPE'S MISSION STATEMENT

The community of Hope exists to let people know they matter to God; by showing them they matter to us, in order that they may share God's love with others.

HOPE'S VISION STATEMENT

We strive to be a beacon of Hope, building a community rooted in Christ's love and showing God's love to those searching for community.

CLERK OF SESSION

Clerk's Corner Newsletter Article for September 2026

Greetings from your Session.

Session gathered on August 24, 2026, for a stated Session meeting moderated by Rev. Ron Beauchamp. See the highlights below.

- The Church hosted the Presbytery Boundary Training on August 12, 2026, resulting in high praise from the Presbytery and attendees. Thank you to everyone who helped make this a great event.
- The Church was invited to participate in the Wheaton College Chaplain and Ministry Fair on the campus of Wheaton College Thursday, September 3, 2026. Thank you to all who participated and spread the good news about Hope Presbyterian Church.
- The Innovative Grant Proposal, approved by Session and the Congregation, is ready for submission to the Presbytery.
- The Church welcomes two new members, Steve and Penelope Johnson, to the Hope family.

As always, you are invited to share any thoughts or concerns you have with either an individual elder or with the entire Session. If you would like to present an idea to Session at our meeting, please contact Pastor Ron or me to be scheduled during the "Speaking with Session" portion of the meeting. The next stated meeting will be Tuesday, September 15, 2026, at 7:00 pm.

With blessings,
Sandra Jordan, Clerk of Session

NEW MEMBERS

PENELOPE JOHNSON

Family and a New Chapter

I met Mr. Johnson eight years ago this month, and we married on the fifth anniversary of that first meeting. The Tri-State Tollway, it seems, has been under construction for the entire length of our acquaintance.

When we first met, I had been widowed for five years, and my only child had recently begun college in Ithaca, New York. I was living in Lake Forest, Illinois, which is why my mother now lives nearby in Libertyville; she moved there to be closer to me. My small local family—my son, my mother, and a marvelous cat—remain central to my life.

Making Glen Ellyn Home

After marrying Steve, I moved to Glen Ellyn, into the house that had been his home for a quarter century. With his encouragement, I have worked to make it feel like my own. I have long been interested in architecture, and this mid-century modern home continues to intrigue me. My professional background, when I had one, was in historic preservation, architecture, and museums.

Service in the Community

Getting involved in my new community led me to the Glen Ellyn Children's Resource Center (GECRC), where I serve on the board as vice chair. I care deeply about children's literacy and education, about my adopted community, and about ensuring that children receive the help they need.

I am also a long-serving board member and vice chair of The Cradle Society in Evanston. This 103-year-old organization has its roots in adoption and has expanded its services to include home visiting and therapy. I am passionate about The Cradle's mission to support women in crisis, children, and families.

Finding a Church Home

I first came to Hope to support our friends, Kurt and Marla. I stayed for the sermons, joined because of the sense of community, and have truly found that community here.

It is good to have a church home again. I have lived in many places and have belonged to many church communities. I was raised Greek Orthodox, attended The Brick Presbyterian Church in New York for many years, and raised my son in the Episcopal Church at our parish in Lake Forest, where we

were both confirmed. I also served on the vestry at St. Matthew's Episcopal Church in Evanston. Hope feels right.

Peace, Penelope

STEVE JOHNSON

Work and Writing

I'm Steve Johnson, a printer by trade. I entered the printing and publishing industry at age 15 and have now worked in the field for 50 years, you can do math. I am president of Copresco, a book manufacturer in Carol Stream, and I still work about 60 hours each week. I also write "Johnson's World," a monthly column for a trade magazine.

DuPage County Roots

I have lived in DuPage County, Illinois, all my life. I grew up in Downers Grove, where much of my family still lives. I later spent many years in Wheaton and even more in Glen Ellyn.

Finding Hope

For several decades, I was a member of Southminster Presbyterian Church, where I raised my children. My wife, Penelope, and I recently began attending Hope, where our friends Kurt and Marla have found a church home.

Family and an Extended Family

I have four children, many grandchildren, and a growing number of great-grandchildren. I have also served as a foster parent and welcomed 12 international exchange students into our family for their senior year. I remain in touch with many of them.

Travel, Books, and the Outdoors

I enjoy international travel and often visit former exchange students who are now adults. I have also made several mission trips to Cuba, which first connected me with Hope.

I am an avid bicycle tourist, taking at least three week-long trips each year and riding most weekends. Swimming is another favorite activity, and my daughter hopes we will complete a triathlon together next year. Weightlifting, yoga, walking, and hiking with Penelope round out my fitness routine.

I am also a voracious reader, drawn to classics, history, biography, science, business, and poetry. Penelope and I have our own book club: we read together, often aloud. I have never owned a television and do not listen to podcasts; instead, I prefer live theater, live music, and science lectures.

Gardening is another lasting pleasure. I once owned a farm in Wisconsin, and I still enjoy growing crops and flowers. Each year, Penelope and I devote special attention to our tomatoes, along with the raspberries and fresh herbs on our large lot.

Learning, Service, and Civic Life

I try to keep expanding my horizons. Recently, I began studying classical guitar, and Penelope and I joined a chess club.

I am active in Wheaton Rotary and Rotary International and serve as an elected Milton Township committeeman. I also volunteer with people recovering from alcohol and drug addiction.

In addition, I am a founder and vice president of Friends of the East Branch DuPage River Trail. The organization is working to create a trail linking the Great Western Trail and the Illinois Prairie Path with The Morton Arboretum.

Looking Ahead Together

After many years as a bachelor, I recently married Penelope. Although we come from very different backgrounds, we share many interests. We look forward to becoming involved at Hope Presbyterian Church as a couple.

Steve Johnson

SEPTEMBER 26, 2026

from 10:30 am - 11:30 am

Hope Presbyterian Church will be hosting

Ageless Grace, taught by Jenna Eisenberg

Come out for a time of fun and fellowship!!!!!!

The Ageless Grace program consists of 21 simple exercise tools designed for all ages and abilities. These exercises, based on natural, everyday movements, focus on healthy longevity for the body and brain. Ageless Grace movements are performed in a chair to stimulate all brain functions

By practicing a few of the 21 Tools for 10 minutes every day, you can improve your brain health. The Tools promote the “Three R’s” of lifelong comfort and ease – the ability to **Respond**, **React**, and **Recover** efficiently and safely.

For the Brain:

The 21 Tools are fun for everyone!

- Right- and left-brain movement activities
- Numbering sequences of physical movements in patterns that play games with the brain
- Brain-body directives that encourage the brain to consciously choose and direct the movement of the body in either a random or specific sequence.
- Stimulates the imagination to light up the brain

For the Body:

- Range of motion and optimal function
- The relationship of all the parts of the body to the whole
- Awareness of physical sensations
- The brain-body connection
- Stimulation for the spine and central nervous system
- Improvement of both cognitive and motor function, including balance.

For the Emotions:

There are sounds, words, expressions, and “pretend” emotions used to inspire, stimulate, and release endorphins, proteins, and positive hormones while simultaneously allowing the body to release tension and tightness.

For the Spirit:

The movements incorporate imagery, creativity, variety, playfulness, polarities, sound, and games, all performed to a wide range of music that encourages self-expression while nourishing the authentic self.

FINANCE COMMITTEE

FINANCE REPORT AT END OF AUGUST

Hope's operating income during August was \$8600, consisting mostly of \$5200 in pledges and \$2950 in student parking fees. However, expenses were \$15,400, so we had a net loss of about \$6800 for the month. Pledging income prior to August averaged about \$15,000 per month, so the lower-than-usual pledge giving in August accounts for the net loss for the month.

For the year, expenses are now exceeding income by \$8450. This is in line with Hope's original budget, which projected a loss of \$13,800 for the year.

However, both our pledged income and loss (non-pledged) income are now running below target. **People are encouraged to catch up with their giving plans if they are behind.**

To end on a positive note, by the end of August we had received a total of \$6575 in student parking fees for the year, with a few more likely to still come in.

PASTORAL PARTNERS

We are back together after a summer of family and travel! This fall, we will:

- Stay in touch with our individual Partners.
- Share updates about weekly and monthly Hope events.
- Help arrange transportation for Sunday worship, holiday services, and Christian Education events.
- Arrange a personal visit from Pastor Ron, if desired.
- Offer prayer support for you, your family, and your friends when you cannot join us.

Each of you is important to us!

Relating Beyond Hope has been busy this summer. As most of you know, Hope Wheaton always sets aside 10% of our annual budget to share with organizations in our community and beyond.

The following donations were sent in June:

LOCAL MISSION GIVING

PADS	\$250
Churches United for Hardship Assistance (CUHA)	\$250
West Suburban Peace Coalition	\$ 30
PRC	\$500
Ecumenical Support Services	
For the Elderly (ESSE)	\$300
Hope Chicago (General Fund)	\$600

WORLD MISSION GIVING

Bread for the World	\$200
Presbyterian Missions*	\$2804

*This amount reflects 50% of our pledge.

The second installment will be sent in
November

The following donation was sent in July:

LOCAL MISSION GIVING

Hope Chicago (Youth Covenant Program)	\$3000
---------------------------------------	--------

This year, Hope's Chicago's Summer Youth Covenant Program hired high school students to teach the community's senior citizens computer literacy and also organized educational field trips in the city for their younger children. Hope Chicago sent us a letter thanking us for our donation. RBH has posted it on the bulletin board in the entryway.

During the month of July, RBH coordinated a school supply drive that benefited the PRC and Hope Chicago. District 200 families spend an estimated \$60-\$110/child for school supplies needed at the beginning of the school year, so RBH wants to thank all who donated supplies this year, which helped CUSD 200 families and Hope Chicago families in need.

On Wednesday, August 12, Hope hosted the Chicago Presbytery Boundary Training for Elders and Presbytery leaders in this area. Over 80 guests spent the day at Hope. RBH coordinated the volunteers needed for that day, including setting up tables and chairs, greeters, ushers, and clean-up. Bethel New Life helped out by mopping Fellowship Hall, setting up tables and preparing food for breakfast and lunch.

Hope's annual "Unity Picnic" was scheduled for August 15th, but due to heavy rains on the south side of Chicago, which brought power outages and flooding in the Englewood neighborhood, Hope Chicago asked if we could reschedule the picnic.

The new date for the Unity Picnic is Saturday, October 3rd from 12-4p. RBH will be grilling hot dogs and hamburgers and also serving Brown's Fried Chicken. Members of Hope and Bethel are asked to bring side dishes, and Hope Chicago will bring desserts. We'll have outdoor games for the kids and the "young at heart," and Glenn has offered to lead a lively game of BINGO! Invite your family, friends, and neighbors to join you for this fun-filled day. Please sign up on the poster in the narthex, as we need to know how much food to have on hand.

In October, RBH is planning to collect new and gently used winter coats and in November, we'll work with Worship, Music and Arts to collect food for the People's Resource Center's Food Pantry. Stay tuned!

*"Whatever you did for one of the least of these...you did for me." Matthew 25:40
These words of Jesus Christ serve as the inspiration
for everything Relating Beyond Hope does.*

BACKPACK BONANZA!

Have you ever wondered what happens to the school supplies Hopers donate to the PRC? This year I volunteered to fill backpacks with the donated supplies, so I thought I would share my experience with you.

During July, Hopers donated a variety of school supplies to the PRC's annual school supply collection. Sheri Clubb delivered Hope's donations to the PRC building at the end of July. Volunteers separated the donations into boxes of like items (pencils, pens, glue sticks, notebook paper, scissors, etc.) Donated backpacks were placed into two piles – one for grade school students and a second one for middle and high school students.

The first week of August the boxes of supplies were set up on long tables in one of the exhibition buildings at the County Fairgrounds. Each box had a sign with the number of each item to be placed in the backpack. We started with an empty backpack and walked along one side of the table, filling it with the needed supplies for grade schoolers. Once we reached the end of the table, the filled backpacks were placed on tables in a separate room. Halfway through, we switched backpacks for the older students.

It's hard to estimate how many backpacks were filled that day. The photos here show just SOME of the backpacks that had been filled! I think we all remember how exciting it was to start off the school year with a new box of crayons or pencils and new folders and notebooks, so thanks to all of you who helped students in District 200 start the school year off on the right foot!

REACHING OUT TO THE NEXT GENERATION AT WHEATON COLLEGE

Attendance at the Wheaton College Chaplain and Ministry Fair on Thursday, September 3, 2026, demonstrated that the next generation is eager for truth and opportunities to serve. Pastor Ron, Jaquetta Carter, Claudia Taylor, Jennie Stoner, and I handed out business cards and flyers inviting students to Sunday Service, the Unity Picnic, and other events happening at the Church. It was encouraging to discuss the unique relationship between Hope Presbyterian Church and Bethel New Life Church with students who wanted to know more about what makes us different from the many churches represented at the fair. With each conversation and piece of literature distributed seeds have been planted. I trust, for some, Hope will be the next step on their walk with Christ. The Wheaton College Chaplain and Ministry fair provided a wonderful opportunity to speak with the students and engage with the larger faith community.

Sandra Jordan, Clerk of Session

WORSHIP, MUSIC & ARTS COMMITTEE

Friday, September 11 at 7:00 pm - September 11th is the 25th anniversary of the attack on the Twin Towers and the Pentagon. Hope will be holding a Memorial Vigil to remember those who lost their lives on this day and to honor those who worked so hard to save the lives of those who were injured. Rev. Wendy Boden, pastor of Southminster Presbyterian Church; Minister Monica Adams, associate minister of Bethel New Life Church; and Rev. Jonathan Crail, pastor of Gary Memorial United Methodist Church, will offer prayers during this service. Other readings, hymns, and candle lighting will also be a part of this vigil. We hope you will join us in remembering those who lost their lives and those who risked their lives to save others.

Sunday, September 20 – Hope will be worshiping outdoors on this Sunday near the Butterfly Garden. Dress casually, bring a comfortable lawn chair, and an umbrella to use for shade, especially if it is a sunny, warm day. The Worship, Music and Arts Committee will also provide chairs. We are having a Sing-along service of familiar hymns including “Morning Has Broken”, “Here I Am Lord” and “I Got Peace Like a River”. We also encourage you to sing while Yuliya plays the anthem and offertory. If it’s inclement weather, we will move the service indoors. Rejoice, sing, and give thanks to all of God’s creation!

Sunday, October 4 – World Communion Sunday

Hope and Bethel New Life are planning this special worship service, as we will be worshiping together on this day. There may be a time change to 11:00 a.m. An email blast will be sent to inform Hope’s congregation as well. It’s a day to celebrate all of God’s children.

Respectfully submitted,
Sheri Clubb, chair of Worship, Music and Arts

CHOIR OPPORTUNITY

Hope Presbyterian Church in southwest Wheaton has a small traditional choir that welcomes additional singers. Rehearsals are at 9 am, before our 10 am Sunday services, beginning this fall on September 6. The choir is led and accompanied by our delightful Yuliya Hedroyts, who was classically trained on piano in Belarus.

Our choir currently has 3 sopranos, 3 altos, and 2 tenors. We would be delighted to add both ensemble singers and soloists. Although we rehearse every Sunday, the choir typically sings an anthem twice a month, and we have solos, duets, or keyboard pieces on the other Sundays. Solo singers will have ample opportunities.

We do not require auditions, accepting all who wish to sing. If you show up at 9 on a Sunday morning, you will be welcome. For more information, you may call our choir coordinator, Glenn Stith, at 630-217-6757. Glenn also leads a chime choir that plays occasionally.

Hope Church is at 1771 S. Wiesbrook Rd., which is at the corner of Wiesbrook and Durfee Roads. The entrance is off Durfee Rd.

Please join us to make a joyful noise unto the Lord!
