

FROM THE PASTOR'S DESK...

A Call to Gratitude. “In everything give thanks: for this is the will of God in Christ Jesus concerning you.” **1 Thessalonians 5:18.** Take a moment today to thank God for one blessing in your life.

Growing Together in Evangelism. Over the next few weeks, we will read Randy Newman's *Mere Evangelism*. Drawing on C.S. Lewis and *Mere Christianity*, Newman combines practical strategies, storytelling, and humor to explore how we can share the Christian faith with wisdom and grace. We will study the book in two settings: Jennie Stoner will lead the Thursday sessions at 6:00 p.m., and I will lead the Sunday sessions immediately after worship. Our preparations for the Wheaton College Fair—and our conversations with others—have reminded me that many of us still wrestle with how to share the gospel faithfully and reach a broader audience. As we give thanks for the grant from the Chicago Presbytery, I am also considering how we can equip our members to speak about their faith with clarity and care. Our challenge is to express our love for God and our church without making others feel pressured. Our goal is to learn and practice skills that help us explain why we believe and who God is to us. As we begin this journey together, let us humbly submit ourselves to the Master.

Celebrating Unity. This month, we will gather in a spirit of unity for laughter, conversation, and fellowship with churches and religious organizations throughout Wheaton. At the Unity Picnic and World Communion Service, we look forward to welcoming representatives from Hope Presbyterian Church in Chicago, Bethel New Life Church, the Turkish American Society, the Islamic Foundation, and Wheaton College.

Pastoral Connections and Cuba Trip. I recently visited Marlene Jepson and Susan Wolfe at their respective residences and was grateful for the opportunity to reconnect with them. I also met with Kurt Parent and Steve Johnson to discuss the trip to Cuba. After careful consideration, I concluded that the trip would not be best for me at this time. During that meeting, I happened to see Susan Wolfe at the Seven Dwarfs restaurant. I went over to tell her how glad I was to see her outside the Atrium facility and introduced myself as her pastor.

Faithful Innovation Visit. Last week, we hosted representatives from the Chicago Presbytery's Faithful Innovation Committee. Their outstanding presentation addressed both the feedback we received and the grant's future direction. I have attached the remarks I shared that evening.

Humbly submitted,
Rev. Dr. R. Keith Beauchamp, Pastor

Remarks for Innovation Grant Meeting for both Churches
on September 21, 2026

Greetings in the matchless name of our Lord and Savior, Jesus Christ.

Isaiah 43:18–19 – God declares He is doing a new thing, making a way even in wilderness places.

2 Corinthians 5:17 – Anyone in Christ becomes a new creation; old things pass away, and new life begins.

It is my pleasure to welcome you to tonight's joint meeting. We are gathered to learn how the grant works and how our congregations can use it effectively.

Acknowledgments

I would first like to thank the program director, Rev. Julio Pena, and his colleague, Kathy Wennerstrum. Rev. Pena comes to us from the Presbytery of Chicago and brings many years of pastoral experience. Kathy is from Western Springs Presbyterian Church, where she serves as a ruling elder. We warmly welcome you both to our churches.

Rethinking Ministry for Our Community

Our churches have been entrusted with a unique opportunity—one that I believe we can fulfill for the good of the community. Last week, I attended a class at McCormick Seminary that challenged me to consider how we do church and whether we need to redesign how we carry out ministry.

As Rick Warren of Saddleback Church in California has said, we may change the method of delivery, but we never change the message. With that principle in mind, we should reconsider how we reach the people of God in our community.

We may need to ask:

- What are the community's most pressing needs?
- How can our churches welcome and engage more people?
- How can we respond meaningfully to the needs we identify?

To explore these questions, we could hold focus groups, distribute questionnaires, or invite community members to talk with us. I know many of you may feel that you have already tried these approaches or become discouraged by past efforts. However, this is not the time to lose hope. This is a season to rethink our approach, identify what is needed, and determine how we can respond most effectively.

Opportunities for Collaboration

Our partnership with the PRC is valuable, and we should continue exploring additional ways to serve the community. Bethel New Life has been invited to participate in several Christmas activities that may also interest Hope. By collaborating on these and other initiatives, our churches can expand their reach and serve a broader audience.

Strengthening Community Partnerships

We should also build stronger relationships with Wheaton College, Wheaton Warrenville High School, and Wiesbrook Elementary School. Although the best approach is not yet clear, developing these connections is a crucial step toward reaching the families who live, study, and gather in this neighborhood.

Updating Our Technology

Technology is another key area for improvement. As we assess the sanctuary and our existing resources, we should consider how thoughtful upgrades could strengthen worship, communication, and engagement.

- What technology could make the sanctuary more welcoming and user-friendly?
- How could a large screen strengthen worship, teaching, and communication?

How can we use our existing tools more effectively to engage younger generations?

Exploring Joint Worship

The role of joint worship has long raised important questions. As we plan future services together, we should consider:

- When would gathering for worship together be most meaningful?
- What purpose should each shared worship experience serve?

Planning for the Future

Today, we have an opportunity to clarify our goals, refresh our plans, broaden our reach, and welcome more people into our church family.

I hope we can meet again near the end of this year to envision the year ahead and develop a practical strategy for achieving the goals outlined in the grant proposal.

Please join me in welcoming Rev. Pena and Kathy Wennerstrum to the podium.

WHAT ARE THE NEEDS OF YOUR COMMUNITY?

Identifying and Addressing Your Community's Needs Through the Church
Your community's needs can be identified through intentional observation, direct engagement, and data gathering, then met through partnerships, programs, and ongoing adaptation.

How to Define the Needs of Your Community

1. Observe and Engage

- Take “talk and walk” routes around your church’s neighborhood to notice signs of need (e.g., empty playgrounds, closed businesses, homeless encampments).
- Meet people in public spaces, ask open-ended questions about their challenges, and listen for recurring themes.

2. Gather Direct Input

- Conduct surveys (digital and paper) with residents, including vulnerable groups, to uncover hidden needs like transportation barriers, isolation among seniors, or food insecurity.
- Hold focus groups or informal gatherings to share concerns and ideas.

3. Analyze Data and Map Assets

- Track recurring themes from surveys and partner reports.
- Identify community assets (schools, clinics, shelters, businesses) and gaps that need addressing.

4. Consider Demographics and Cultural Context

- Understand the age, cultural, and economic makeup of the area to tailor outreach.
- Ask: Why would people seek help from your church? What would make them engaged?

Examples of Community Needs in Wheaton, IL

Based on common local issues, your church might consider:

- **Food insecurity** – food pantry or meal programs
- **Homelessness** – shelter referrals, job training, mental health support
- **Education support** – tutoring, back-to-school drives
- **Social isolation** – support groups for seniors, grief, or addiction recovery
- **Healthcare access** – health screenings, wellness workshops
- **Economic hardship** – financial literacy classes, career counseling

How the Church Can Help

- **Direct services:** Food pantries, meal programs, clothing drives, tutoring.
- **Partnerships:** Collaborate with local government, nonprofits, schools, and businesses.
- **Support networks:** Create safe spaces for emotional and spiritual support.
- **Advocacy:** Use your voice to address systemic issues in the community.
- **Continuous assessment:** Revisit needs annually and adjust programs as the community changes.

Practical next step: Form a small team to design a 10-question survey, partner with a local organization to distribute it, and hold a “walk and talk” in your neighborhood to gather both visible and personal insights. This will give your church a clear, data-driven foundation for ministry.

Core Scriptures About Helping Others

Below are some of the most frequently cited and foundational Bible verses on serving, supporting, and uplifting others:

1. Galatians 6:2

“Carry each other’s burdens, and in this way you will fulfill the law of Christ.”

2. Matthew 25:35–40

Jesus teaches that caring for the hungry, thirsty, stranger, sick, and imprisoned is service to Him.

3. Hebrews 13:16

“And do not forget to do good and to share with others, for with such sacrifices God is pleased.”

4. Proverbs 19:17

“Whoever is kind to the poor lends to the Lord, and he will reward them for what they have done.”

5. 1 John 3:17–18

Love must be shown through action, not words alone.

6. Isaiah 58:10

Helping the hungry and oppressed brings light into darkness.

7. James 2:14–17

Faith without works—especially toward those in need—is dead.

8. Romans 12:13

“Share with the Lord’s people who are in need. Practice hospitality.”

9. Proverbs 3:27

“Do not withhold good from those to whom it is due, when it is in your power to act.”

10. Luke 6:38

Generosity brings blessing: “Give, and it will be given to you...”

Scriptures About Compassion and Justice

These verses highlight God's call to defend, uplift, and stand with the vulnerable:

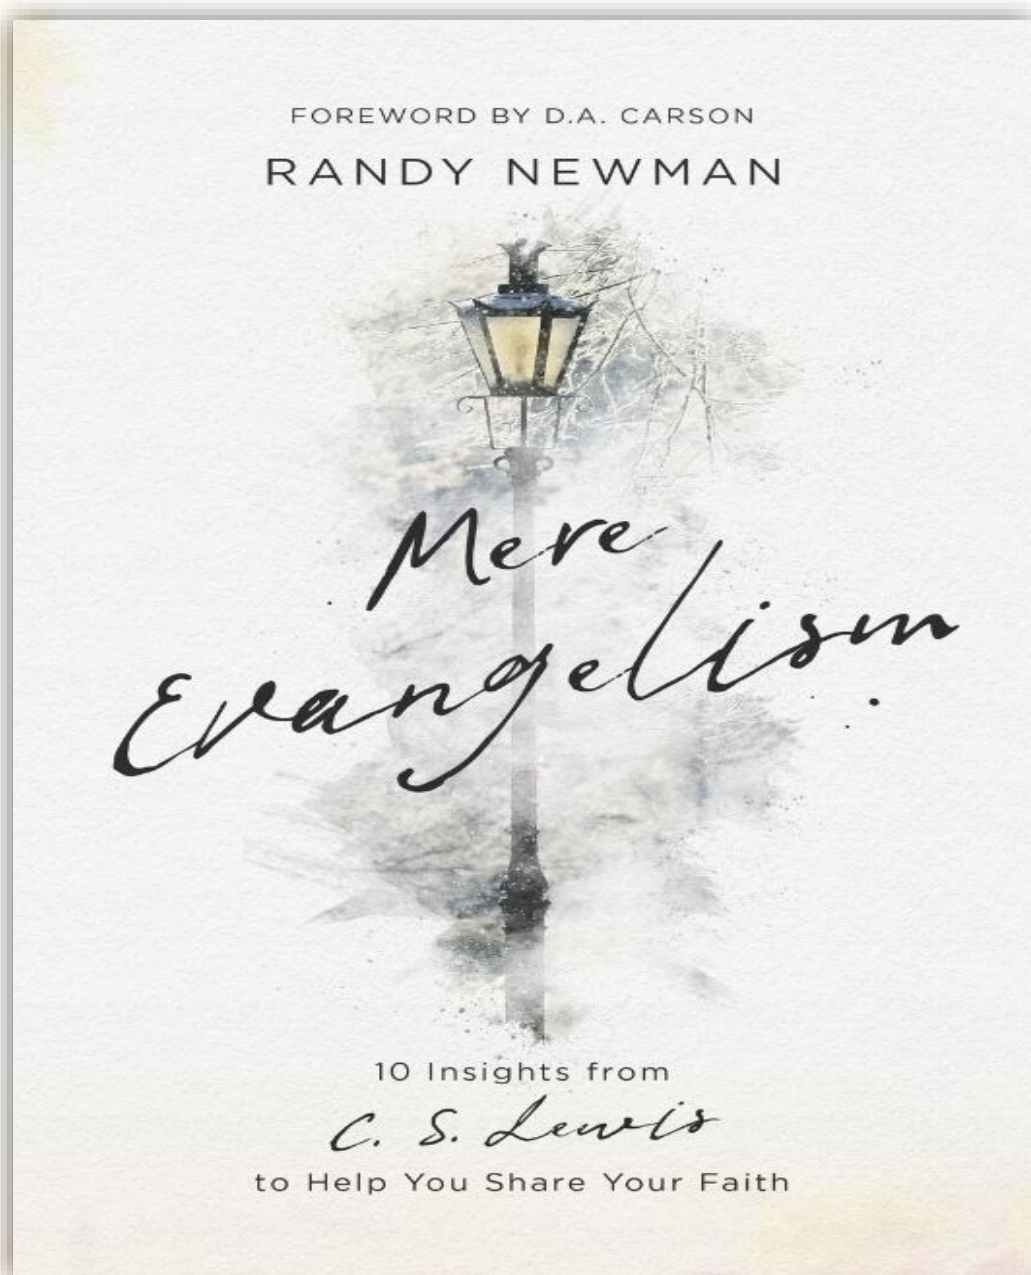

- **Isaiah 1:17** — Seek justice, rescue the oppressed.
- **Psalms 82:3** — Give justice to the weak and the orphan.

Scriptures About Encouraging and Supporting Others

- **1 Thessalonians 5:11** — Encourage and build one another up.
- **Romans 15:2** — Build up your neighbor for their good.
- **Isaiah 41:10** — God strengthens and helps His people.

Summary

Scripture consistently teaches that helping others is central to living out faith. These verses show that compassion, justice, generosity, and active love are essential expressions of following God.

EVANGELISM

Publication date: Sep 1, 2021

Evangelism is an extraordinary task; it's what God uses to bring people from death to life. But it has always been difficult.

C.S. Lewis was used by God in the conversions of countless people, from friends and acquaintances in his own lifetime to modern-day readers of books such as *The Chronicles of Narnia* and *Mere Christianity* (the most influential Christian book of the 20th century). As Tim Keller comments, "C.S. Lewis was incredibly skilled at getting Christianity across in a way that's powerful to thoughtful people. So, if we want help with evangelism, there is much we can learn from the clarity and imagination of this hugely influential Christian writer.

You may feel inadequate to the task; after all, there is only one C.S. Lewis. But evangelist Randy Newman skillfully helps us to apply the methods Lewis used (storytelling, humor, imagery, and more) in our own conversations.

You will be equipped to talk about your faith and engage with unbelievers wisely, whatever their attitude towards the Christian faith.

Definition of Evangelism in Christianity

In Christianity, evangelism is the act of proclaiming the “good news” of Jesus Christ — that He lived, died for sin, rose again, and offers salvation to all who repent and believe

Core Meaning

The term comes from the Greek *euaggelion* (“good news” or “gospel”) and *euaggelizo* (“to announce” or “proclaim”). In Christian teaching, evangelism is the intentional sharing of the gospel — the message that God created humanity, humanity fell into sin, and God provided salvation through the life, death, and resurrection of Jesus Christ

Biblical Basis

Evangelism is rooted in Jesus' **Great Commission** (Matthew 28:18–20), where He commands His disciples to “go and make disciples of all nations.” Other key passages include:

- **Mark 16:15** – “Proclaim the gospel to all creation.”
- **Acts 1:8** – Believers are to be witnesses “to the ends of the earth.”
- **Luke 24:46–47** – Repentance and forgiveness of sins are to be preached in Jesus' name.

Purpose

The goal of evangelism is not merely to inform, but to lead people to **repentance, faith, and reconciliation with God**. It is both **proclamation** (publicly declaring the gospel) and **witness** (personal testimony), empowered by the Holy Spirit.

Forms and Methods

Evangelism can take many forms

- **Personal witness** – sharing faith in one-on-one conversations.
- **Public preaching** – in churches, open-air events, or conferences.
- **Media and literature** – books, tracts, online platforms.
- **Mission work** – cross-cultural outreach.

Distinction from Discipleship

While closely related, **evangelism** focuses on bringing non-believers to faith, whereas **discipleship** involves teaching and guiding believers in following Christ.

In summary: Evangelism in Christianity is the God-given mission to share the gospel of Jesus Christ, inviting all to believe, repent, and enter into God's saving plan, in line with Jesus' command to make disciples of all nations.

GETTING TO KNOW ROSIE AND LAUREN BUCHALSKI

Rosie and Lauren Buchalski are new members of Hope Presbyterian Church. They live on Dorset Drive in Wheaton. Rosie is married to Mike, and they have a son, Chris, who is in college at Penn State. Chris went on a mission trip this summer to Thailand. As a family, they enjoy traveling and doing outdoor activities, watching movies, and playing games.

Lauren is an excellent athlete who loves sports and Dr. Pepper. She plays goalie on a traveling soccer team as well as the high school team at Wheaton Warrenville South High School. She also plays basketball, but soccer is her favorite. She will be a junior this fall and will be turning 16 in September and getting her driver's license. Lauren is an exceptionally good student who takes difficult AP classes at school. Lauren hopes to go to Colorado State University in Fort Collins to study zoology or animal science. She is currently interning at the DuPage Wildlife Conservation Center where she helps rehabilitate wildlife.

Rosie grew up in Carpentersville, Illinois, and is a graduate of Knox College in Galesburg, Illinois. Presently, she works as a Procurement Manager. Rosie serves as secretary of Tiger PAWS (Parents Association Working for Students) at Wheaton Warrenville High School. She was instrumental in getting paid student parking passes at Hope.

Rosie and family previously attended St. Michael's Catholic Church. Rosie came to Hope after seeing our sign. She joined Hope because of our welcoming congregation and our mission and vision statements that welcome all without exception. She is currently working on the Communications Committee and helping with the Webpage and Facebook. Rosie speaks and writes well and has been serving on the joint grant-writing committee. She helped organize Bingo last spring.

Both Lauren and Rosie would like to see Hope have a more modern and varied music program and do more outreach. They like sermons that are applicable to real-life situations and can be meaningful to different age groups.

They think Hope has exciting potential and hope to see it grow. We welcome Rosie and Lauren to Hope Presbyterian Church.

FINANCE COMMITTEE

HOPE END-OF-SEPTEMBER FINANCIAL REPORT

Income Is Falling Behind

Hope's income was very low in September, with only \$3100 in pledge income and \$260 in loose (non-pledge) income. Total income for the year is now about \$18,000 below budget. This will hopefully improve in the fourth quarter.

Hope's expenses are still under budget by almost \$7700 for the year. Nevertheless, expenses for the year are exceeding income by \$19,980. Our 2026 budget projected a year-end deficit of \$13,800, so we have some catching up to do just to meet our budget.

Our Treasurer, Debbie Wolski, is in the process of sending out giving statements for the first nine months of the year. People are encouraged to catch up if behind, or even go an extra mile, to help improve our year-end financial condition.

2027 Stewardship Drive

Hope's Finance Committee and Session are currently preparing a proposed 2027 budget and stewardship letter for distribution in late October.

Submitted by Glenn Stith, Finance Committee Chair

PASTORAL PARTNERS

"Our Pastoral Partners worked diligently these past few weeks to update and/or reconfirm members' and friends' correct email, telephone, and cell numbers, and street addresses of all Members and Friends; our church Directory will be in good order, with special thanks to Susan Vroman, as we move ahead with events, stewardship, and implementation of the grant received from the Chicago Presbytery. Distribution of the updated Directory will happen soon, and thank you for your rapid response.

Committee Members: Anna Lloyd, Carol Gats, Betsy Salvatore, Marla Parent, Sheri Clubb, Claudia Taylor

WORSHIP, MUSIC & ARTS COMMITTEE

Outdoor Service

The rain clouds just would not break for an outdoor worship service experience, so we moved it indoors to the dry sanctuary. We sang familiar hymns which were sung to glorify God's creation and the outdoors. Each hymn was connected to a Biblical scripture. Thank you to Pam Dalby, Dave Donaldson, Marla Parent, Debbie Wolski, and Jim Vroman for being our scripture readers. Maybe next year Mother Nature will be more cooperative.

World Communion Sunday

Sunday, October 4 was World Communion Sunday, a time when we celebrate our oneness in Christ with all our brothers and sisters around the world. As stated on the Presbytery website, World Communion Sunday's beginning was a gift from the Presbyterian Church to the larger ecumenical church. Its purpose was to bring churches together in a service of Christian unity. What began as a worship service in one church in Pennsylvania has grown to be celebrated worldwide, demonstrating

that the church founded on Jesus Christ peacefully shares God-given goods in a world increasingly destabilized by globalization and global market economies based on greed.

This year, to celebrate World Communion, Hope and Bethel New Life planned the worship service together, combining elements that were important to each of our worship services. For Communion, we gathered together around a long table in the shape of the cross, and Pastor Ron led us through the celebration of the Lord's Supper. Hope and Bethel New Life's choirs filled the church with song; Bethel's Pivotal Praise Dancers lifted our spirits with dance; members of Hope and Bethel rang chimes and played "All Things Bright and Beautiful"; and our voices filled the church singing familiar hymns. We demonstrated celebrating oneness in Christ on this World Communion Sunday.

Friday, December 4 – Hanging of the Greens

Please join us on this Friday afternoon to help decorate Hope and the Christmas tree for the season of Advent and Christmas. After readying the church for Christmas, we will continue our fellowship with a pizza dinner.

Respectfully submitted,

Sheri Clubb, chair of Worship, Music and Arts Committee
