Loving the Lost Through Prayer: Week # 22 Turkmen of Uzbekistan

The Turkmen of Uzbekistan live mostly in the western part of the country, particularly in the Karakalpakstan and Khorezm regions, near the border with Turkmenistan. They are descendants of ancient nomadic tribes and follow Sunni Islam. Their herdsmen identity reflects itself in their livestock skills and traditional clothing, designed to be practical and durable. They speak Turkmen, Uzbek, and some Russian. Although many Turkmen in Uzbekistan have become integrated into Uzbek society, they continue to maintain their own customs, including traditional music, dance, and cuisine.

Let's Pray: Pray God will provide a way for Uzbek believers to be accepted into these Turkmen communities where they can share the gospel more easily thank in Turkmenistan.
