

made to be
COURAGEOUS

This is my command—be strong and courageous! Do not be afraid or discouraged. Joshua 1:9 (NLT)

COURAGEOUS:

doing something hard
or brave, even if it
seems scary.

Some bears living
in colder areas of
the world can
hibernate for up
to eight months
at a time!

Talk About It: Have you ever felt afraid? It's normal to feel scared sometimes. But God tells us that we can have courage and be brave because He is always with us! God is stronger than anyone or anything—even the hugest bear. And God is on our side! What is something you could use some extra courage with?

Go About It: Make Bravery Badges. Draw a badge on a piece of paper, cut it out, and decorate it. Think of some courageous things you could do while wearing your badge. Then have an adult help you choose one of those things to do this week!

Dear God,
Help me have courage because now I know:
You're always with me and You love me so.
Amen

This is my command— be strong and courageous! Do not be afraid or discouraged.
