

made to be
TRUTHFUL

So stop telling lies. Let us tell our neighbors the truth.
Ephesians 4:25 (NLT)

TRUTHFUL:

choosing to tell the truth and being honest with others.

Owls can turn their heads almost all the way around! They can also see things far in the distance because of their eye shape.

Talk About It: What's an example of a lie? When we lie, it hurts our relationship with God, other people, and even ourselves. God knows what's best for us which is why the Bible talks a lot about how important it is to tell the truth. Can you think of a time when you told the truth even though it was hard?

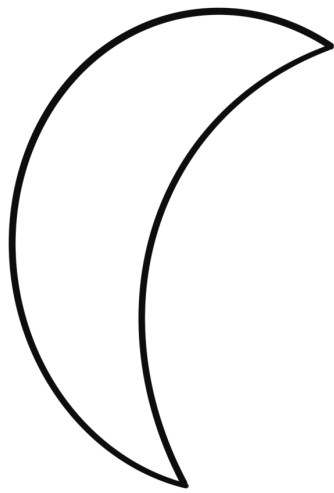

Go About It: Play "Truth or Trick." Take turns saying things that are either true or not (e.g., the grass is blue). Talk about whether the statement is true or false. Pretending can be fun, but there are times when we need to say what's true.

Parents: this can be a good opportunity to help your kids better understand the difference between things like make-believe versus lying to get out of something.

Dear God,
Please help me to say and do
what is good, right, and true.
Amen

Made To Be

TRUTHFUL

So stop telling lies. Let us tell our neighbors the truth.
