KIND

Be kind and loving to each other. Ephesians 4:32 (ICB)

KIND:

showing that you care about others through your words and actions.

Most deer are born with white spots to help them hide from predators. The spots disappear as they grow.

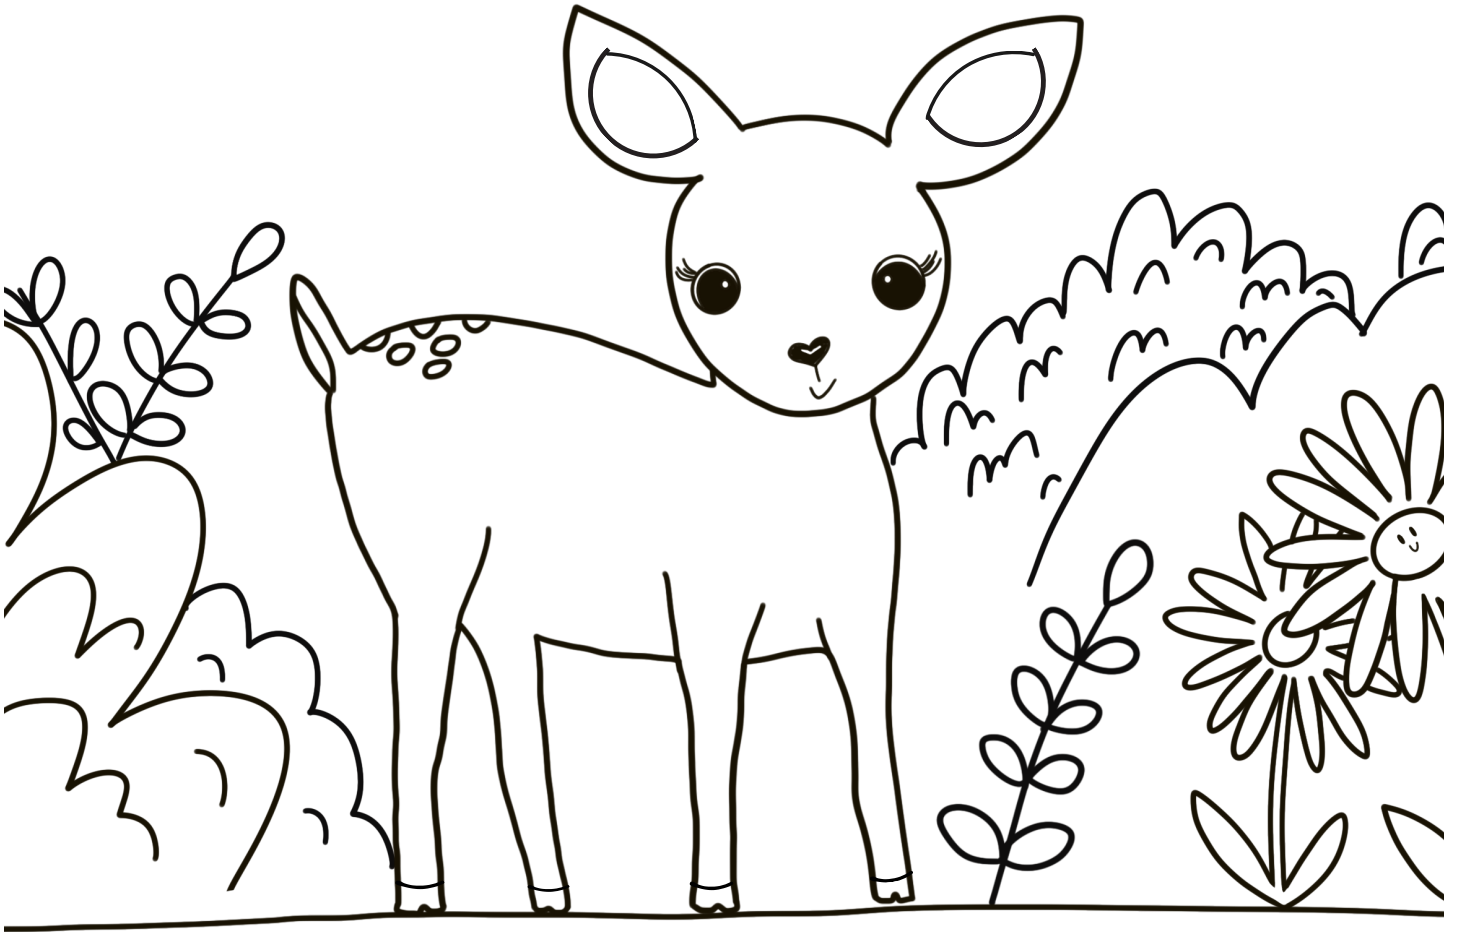

Talk About It: God treats us with kindness by giving us things like family, friends, and food to eat. What's one more way God has shown kindness to you? God is always there for you, and He cares about you so much! God also wants us to be kind to others by showing we care about them. How have you been kind to someone else?

Go About It: Plan a random act of kindness to do this week. Make a card for a friend, bring a meal to a neighbor, or call someone to tell them how much you love them.

Dear God,
Help me to be kind today
in all I do and all I say.
Amen.
