

Moses is Born

Exodus 2:1-10

Bible Memory Verse: "Give thanks to the Lord and pray to Him."

Psalms 105:1

Supplies needed for this lesson:

Crayons, scissors, glue stick

Do you have a baby in your family or neighborhood? Do you remember when you were a baby? Babies are small and they need lots of help to grow and stay safe and learn about the world. They need attention and love and people who care for them. In today's lesson we're going to learn about a baby who was hidden in a basket by his Mom. Why do you think she hid her baby? Is it safe to hide a baby in a basket? Well, we're going to find out why this Mom hid her baby, what happened to him and how God cared for him in today's Bible adventure.

But first, let's make a picture. At the end of this lesson plan, you can find this week's Make n Share. Please print out the activity as well as the "stickers". (this picture is two-sided so either print both sides on one page or print on two pages and glue the pages together back to back before completing the activity). Cut out the "stickers" (it's OK to ask a grownup or older sibling to help) Follow the directions on the second page to complete the activity. Do you see the baby hiding? God cared for that baby and **God cares for us** too.

Next, click on the video link at the LCKids web page to watch a video Miss Sue and Woolly made about the baby, who was named Moses, and his Mom. Or you can click on the link called *Bible Story* to read the story with your family.

Wow! Lots of people helped care for baby Moses. His Mom, his sister Miriam, the Egyptian princess and, of course, God! **God cares for us** too. He's put lots of people in our lives to help care for us. For our last activity today, we're going to make a book about people who care for us. After the Make n Share at the end of this lesson plan, you will find Caregiver Cards and a

Caregiver Book pattern. Please print all four pages separately. Color all the Caregiver cards and talk to someone in your family about how each person pictured can care for you. Then choose four cards, cut them out (a grown up may need to help) and glue them into the squares in the Caregiver Book pattern. Finally, fold the pattern along the dotted lines to make a book (a grown up may need to help) so that you can look through the book anytime you want to remember the special people who care for you. And don't forget that God cares for you too!

What a blessing that God puts people in our lives to care for us! Let's end our lesson today with a prayer of thanks to God for the people who care for us.

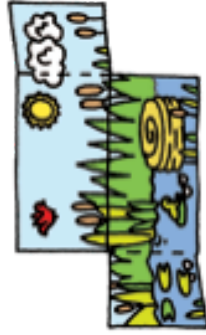

Prayer:

Thank You, God, that You care for us and that You put lots of people in our lives to help care for us too. Please help us to remember to always be thankful for these special people. We love You, Jesus! Amen.

At the end of this lesson plan, after the caregiver book activity, there is a coloring page and a Bible Memory Verse poster for you to color. There is also a letter for the grown up who takes care of you that explains what we will be learning in the next few weeks.

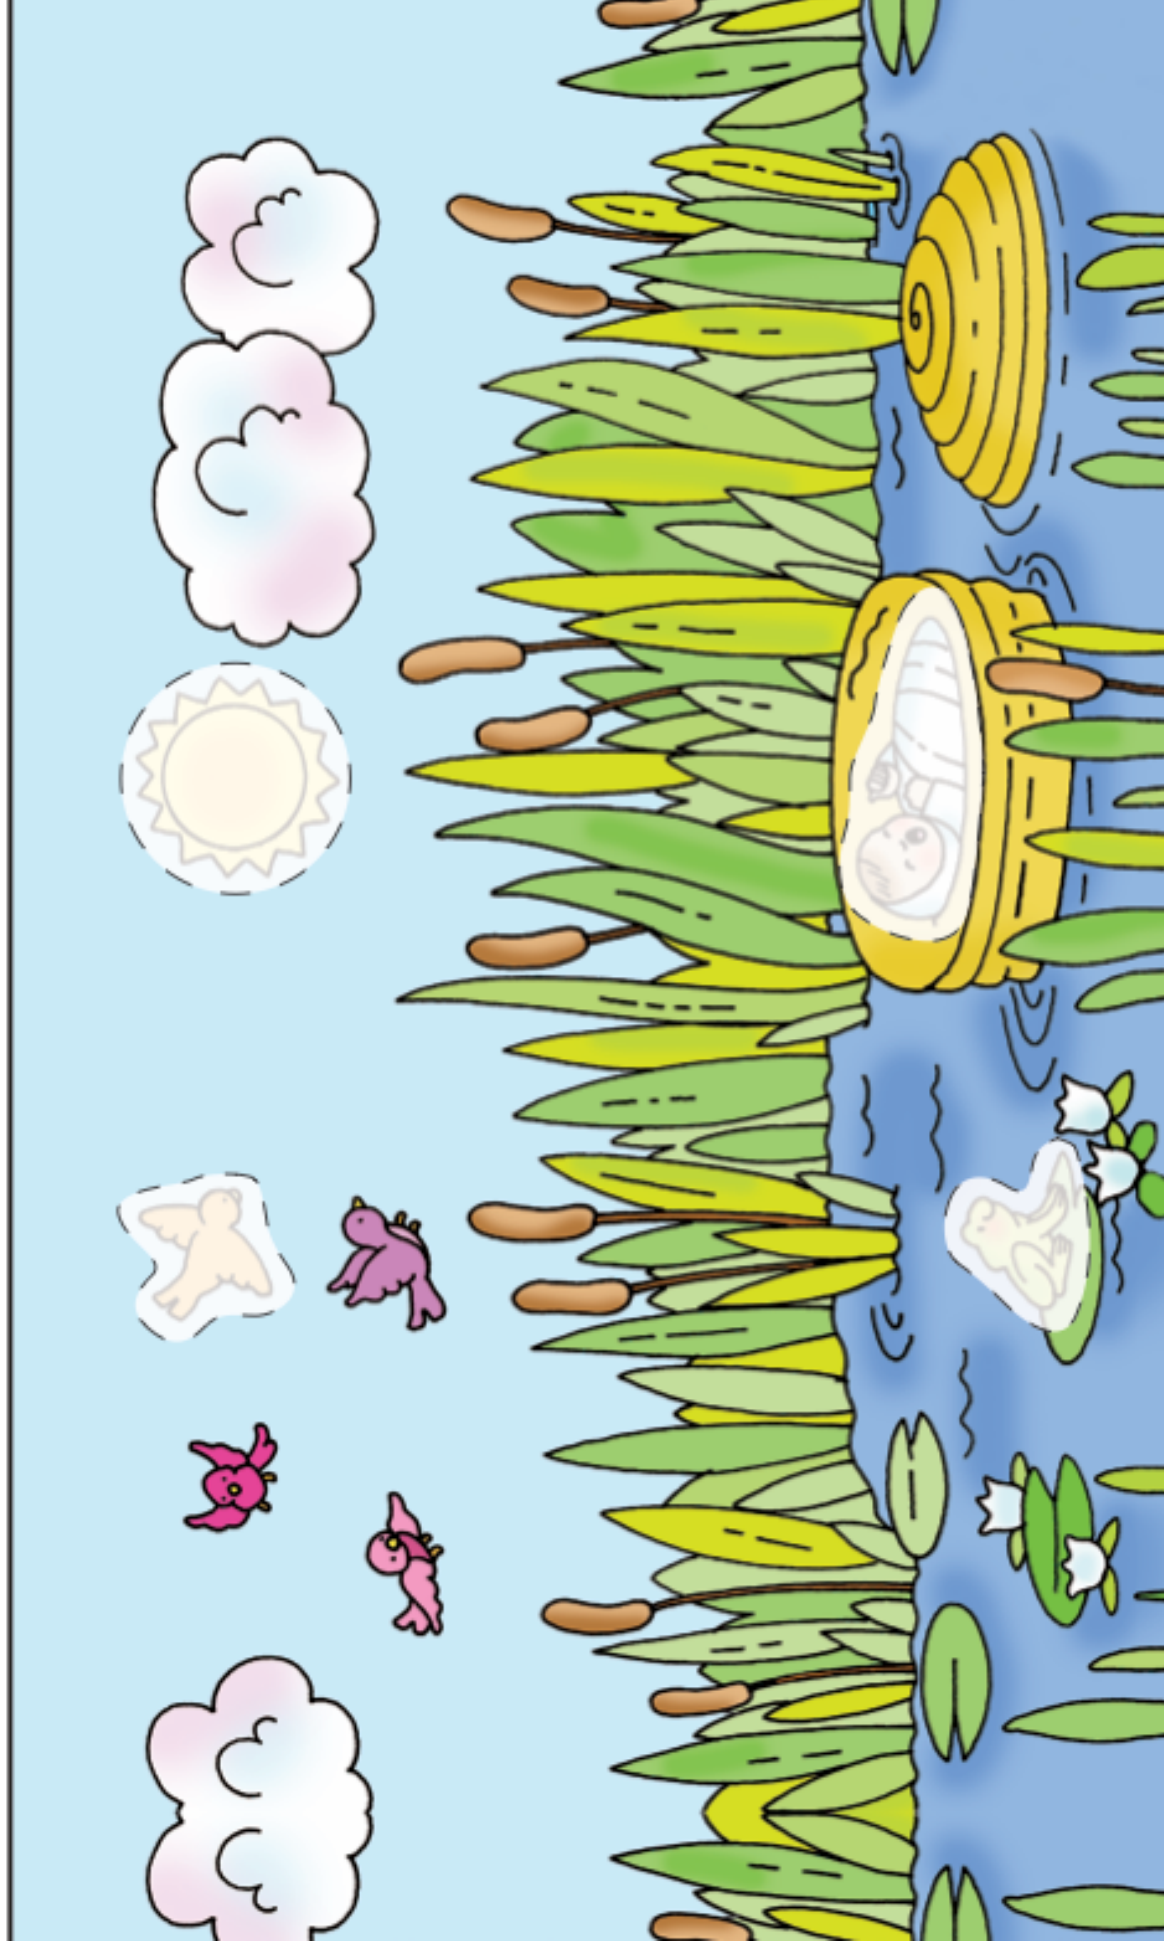

At the LCKids web page, you will find this week's family take home page, called *Heart Tugs*.

Have a great week! I hope to see you again next week, when we will be learning more about Moses!

Hiding Moses

Lesson 5

Instructions

1. Finish coloring the activity and add stickers.
2. Cut on the solid lines and fold on the dotted lines so that the scene is hidden inside.
3. Open the flaps to discover things that are hidden.

Baby Moses' mother hid him in a basket.

Lesson 5

God protects baby Moses.

Exodus 2:1-10

Give
thanks to
the Lord
and pray
to him.

Psalm 105:1, ICB

Dear Family,

In this unit of lessons, children will learn about the life of Moses and how God cared for him as he grew from a tiny baby to be the leader of God's people. They will learn about God's amazing love and provision for His people, the Israelites, and through these lessons children will learn that God cares for us and is always with us.

Review each week's lesson with your child and help your child think of ways God cares for and provides for your family. Create a list of household rules for your family, and remind your child that one way God cares for us is by giving us good rules to obey.

The lessons your child will learn over the next five weeks include:

Moses and God's People

Week 1 • Moses Is Born (Exodus 2)

Week 2 • Moses Leads God's People (Exodus 3, 7–13)

Week 3 • God's People Cross the Red Sea (Exodus 13–15)

Week 4 • God Provides for His People (Exodus 16, 17)

Week 5 • God Gives 10 Rules (Exodus 19, 20, 24, 32)

The following verse is the Bible Memory for this unit. Review this verse at home with your child:

“Give thanks to the Lord and pray to him”
(Psalm 105:1, ICB).

Thank you for the opportunity to teach your child. Please let us know if you have any questions or concerns.

Blessings,
Miss Kim
