

# Ark of the Covenant & Tabernacle Furniture

## INSTRUCTIONS

Your child's representation of the tabernacle is a great way to help them consider what they learn as they read What Was the Tabernacle? from the Who What Why series!

1) Print your templates.

Print the template page from the step-by-step instructions on cardstock and cut out the pieces.

Trace the templates onto bronze cardstock for the outer courtyard altar and basin. Use yellow and gold for the High Place and Most High Place furniture.

---

2) Assemble your outer courtyard altar and basin.

Use a bronze, burgandy, or dark brown pieces to decorate the altar and basin pieces, as shown. Fold the altar along the lines on the template.

## INSTRUCTIONS

Glue the bottom of the basin to the top of the support roll.

3) Assemble your Holy Place lampstand, table of the bread of the presence, and altar of incense.

Use an orange or dark yellow permanent marker to decorate the pieces of your lampstand.

## INSTRUCTIONS

Roll the long, thin strip and glue the end, then glue the circular support on top of the round base. Fold the bottom of the center of the lampstand, then glue it to the base. Glue all three semi-circles to the front of the center of the lampstand, in order from the largest semi-circle upward to the smallest semi-circle. Cut a small flame, and glue it behind each arm of the lampstand.

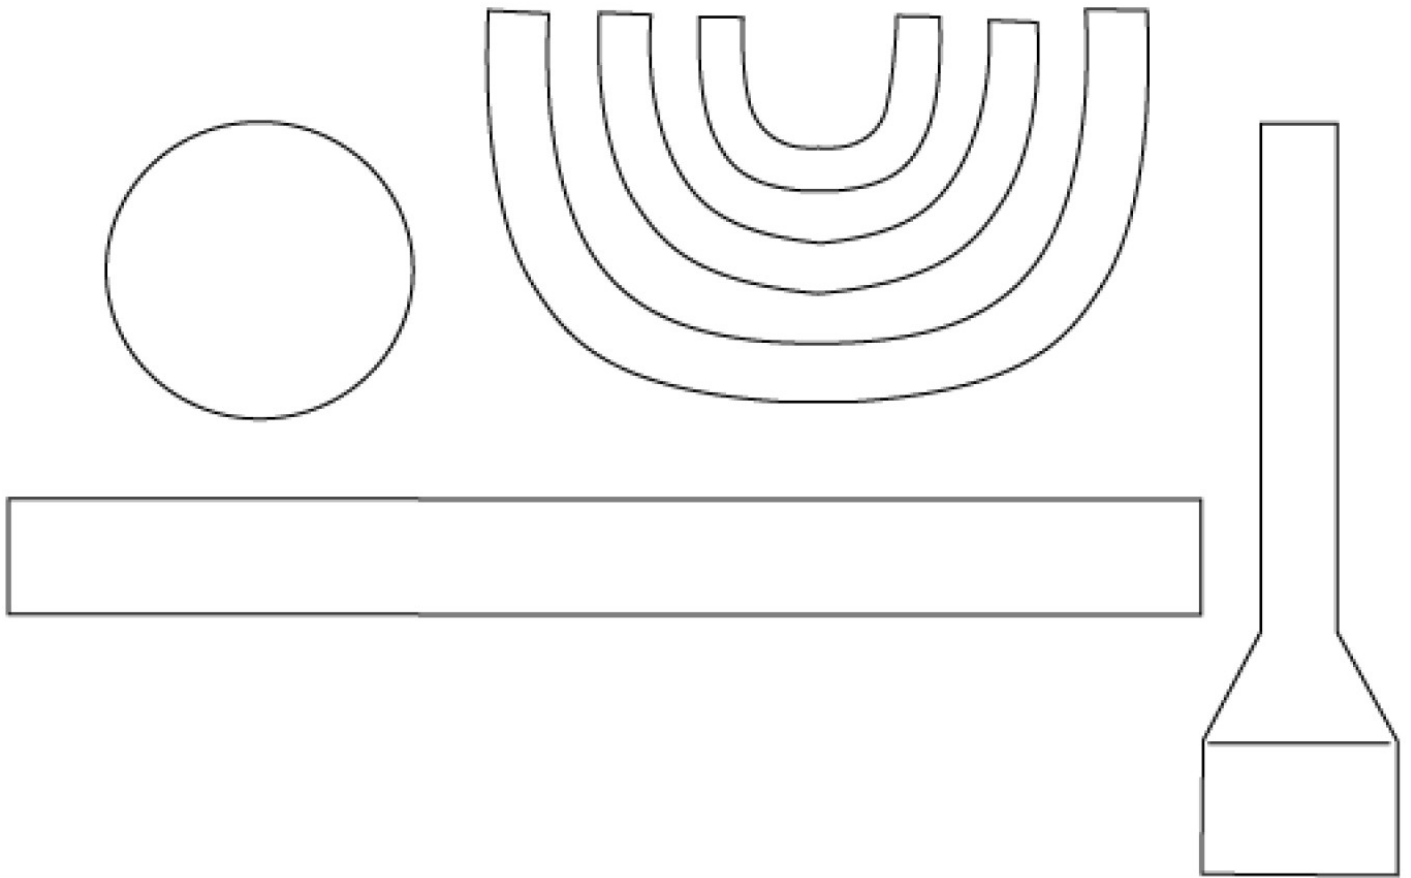

For the altar of incense, use permanent markers to decorate the altar sides, the top, and the horns, as shown. Fold the altar along the lines shown on the template.
