

IMPACT YOUR CHURCH

Band

Do you have a passion for music and Jesus? The Band uses their musical gifts to create a worship experience that proclaims the good news of Jesus through song.

Positions Available

- **Vocals:** Lead worship with your voice, helping people connect to the lyrics and spirit of each song.
- **Drums:** Set the rhythm and energy, giving each song its heartbeat.
- **Keys:** Bring songs to life adding depth, harmony, and groove to the entire band.
- **Acoustic & Lead Guitar:** Add mid-section groove to the band through rhythm acoustic guitar or tasteful melody and harmony lines to create depth, ambience, and power on lead guitar.
- **Bass:** Provide the low-end rhythmic foundation for the band to stand strong on.
- **Cello & Strings:** We'd love to be able to add cello or strings to the band on certain weekends. Let us know if you have this special skill!
- **Other:** Play an instrument other than what is listed above? Let us know what that might be. *Not every instrument will have application to our weekly worship teams, but there are special services and times where we'd love to integrate different instruments.*

Time Commitment

Most volunteers serve around one weekend a month on both Saturday & Sunday, but time commitment varies based on availability and service needs.

Who's a Great Fit?

This role is perfect for those who are musically gifted, enjoy collaboration, and feel called to use their talents in worship. If you're comfortable on stage and committed to helping others worship deeply, this team could be a great fit.

The Impact

As part of the Band, you lead people to participate in inspiring, authentic, Jesus-centered worship.

Note: Interview required.
