

IMPACT YOUR CHURCH

Safety Resource Team

Passionate about creating a safe and secure ministry environment? The Safety Resource Team supports NorthCross worship services and events by being ready to respond to any situation with care and professionalism.

Positions Available

- **Team Member:** Support worship services and NorthCross events with incident response, first aid/medical assistance, and security.

Time Commitment

Serve twice a month during one of these times: 8:20-10:15 am, 10 am-12 noon, or Saturdays 4:15-6:15 pm. Additional service times may be available during NorthCross Youth on Wednesday evenings and NXTGEN on Sunday evenings. Other events include Vacation Bible School generally during July.

Who's a Great Fit?

This team is ideal for those with a calm demeanor, attention to detail, and possibly a background in safety, security, or medical assistance. If you're attentive, dependable, and care about creating a safe environment, this role is a great fit.

The Impact

By serving on the Safety Resource Team, you're helping create a space where everyone can worship and connect without worry. Your presence helps attendees feel safe and cared for, allowing them to focus on their time with God and others.

Note: Interview and background check required.
