

I have been so blessed to be able to
invest in the lives of the youth in Darien.

Many call me grandma.

When they have problems they come and ask
me what to do. Many solid families are
divorcing and are really struggling.

The youth have no one to talk to that they feel safe with. I love that they let
me hold them in my arms and let them get it all out. When you give a hug
your heart touches theirs and they give me the right to speak into their hearts
just by physical touch.

I have this connection with them that is so special.
I can tell if something is bothering them by just looking them in the eyes.

Vida ministries helps them fulfill their dreams and aspirations.
Physical touch produces hope in their future to have a better life.
We give them jobs to earn money for things that are important to them.

The bottom line is that they can see Gods heart to love them through others.
Thank you for helping raise them up and to know Jesus sees them.

Praise ye the LORD.
O give thanks unto
the LORD; for he is good:
for his mercy
endureth for ever.

Ministry Needs

God bless
you!

- ***We need to put a new roof on the mission house***
- ***We could use a pressure washer to help us to keep everything mold free. It rains 9 months of the year.***

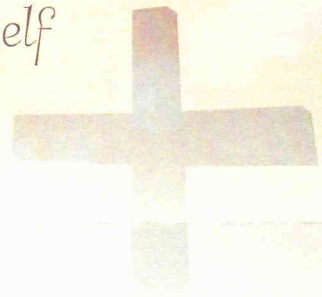

Cooks Residence

Jennifer's youngest son is getting married this month.

Chris's oldest daughter is getting married in August of next year.

The rest of the cooks are just living life.

*No matter what season of life you find yourself
in He is always there alongside of you.*

Prayer Requests

Please pray for my health that I will be strong and have tons of energy.

Please pray for our youth in Darien.

Please pray that we can find nationals to talk on the radio.

Please pray for our middle son who is now living in Darien and is the administrator of the radio station.

That God will help him to be wise and make Godly decisions.

It's a huge responsibility making so many decisions everyday.
