

David and Karla are the teachers in our two year Bible school. They are excellent teachers. They graduated from Rhema Bible School in Costa Rica. They also teach under the covering of John Romicks school in Colombia.

Their daughter Monica does a lot of translating for the ministry. She also does a lot of graphics for advertisements for us.

God has blessed us with quality people to help us complete the Lord's vision for Darien.

This month we are starting our first class of the two year Bible School. They will be teaching the "In Him" series of Brother Kenneth Hagin senior. If people could comprehend how much God loves them, faith would come so easy.

One time I contracted a really bad ameba in Darien. I had a consistent 105-degree fever. My heart was overwhelmed and the doctors were deeply concerned. I cried out to the Lord. He told me "Jeanne, you rest and I will take care of the rest." Ha! So I did and He did. No damage to my heart and I was released from the hospital that same week. I rested in the arms of my Father. He always takes care of His children.

Praise ye the LORD.
O give thanks unto
the LORD; for he is good:
for his mercy
endureth for ever.

Ministry Needs

God bless
you!

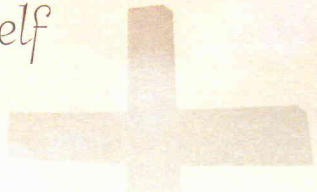

- ***We need a group of skilled workers to come and do some basic needs in the ministry.***
- ***Everything here is done in cement so they would need to have skill in that area.***
- ***We also need some plumbers to come. We have two toilets that need replaced.***

Children Reaching Children

The children are on spring break right now. I was in one of the villages today preparing a team for the Bible school this Saturday.

We have a tradition every time our dogs have puppies that the children come to our house to bath them and take care of them for one full day. Today they surrounded me and asked if we had puppies yet. I told them no but as soon as we do I would come and get them. They know Grandma needs a lot of help when puppies arrive. These are precious moments that I will keep in my heart.

No matter what season of life you find yourself
in He is always there alongside of you.

Prayer Requests

Please pray for my health, tenacity and encouragement.
Lately life has gotten real difficult. Nothing really wrong
but feeling overwhelmed in the ministry.
So much to do and not enough help to get it all done.
I thank God for our children whose hearts are so
involved with everything here.
