

Loving Our Neighbors

IN LEBANON AND THE U.S.

LEBANON RELIEF:
More than 1 million people are on the move and in need of basic necessities. Working with local partners, we are delivering relief including tents, blankets, food, and diapers.

 Franklin Graham Update | MAY

DEAR FRIEND,

As the Middle East continues to reel from conflict, more than 1 million people have evacuated southern Lebanon to seek safety in the capital of Beirut and surrounding areas. Some are living in schools and community centers. Others are staying with relatives. Some are sleeping on the streets, just trying to survive. They have nowhere else to go. A recent ceasefire offers hope for them to return home, but the situation is still tense. Pray for this uneasy peace to hold.

Samaritan's Purse has airlifted over 150 tons of emergency relief for these families forced to leave their homes and jobs behind. Over three flights, we brought in tents, solar lights, blankets, kitchen kits with stainless steel pots and pans, and hygiene kits with toothbrushes, razors, soap, and more. We also flew in enough supplies for local clinics and hospitals to help thousands of people over the next couple months.

We are working together with longtime Christian partners to quickly get these supplies into the hands of desperate people. In partnership with local churches, we've given out 31 tons of food and have been able to supply them with wheelchairs and diapers, too, as special needs arise. Many of the church volunteers are young people eager to minister to their fellow countrymen. It's great to see God's people stepping up in times of crisis.

The Lord has opened doors for us to help hurting people in Jesus' Name in Lebanon during their time of need. The love of Christ compels us to act. Jesus said, *"I was hungry and you gave Me food ... I was naked and you clothed Me; I was sick and you visited Me"* (Matthew 25:35-36).

While our work is focused on Beirut, we're also working across Lebanon in the Biblical cities of Byblos, Tyre, and Sidon. It was skilled craftsmen from Byblos who helped build Solomon's Temple. Jesus visited Tyre and Sidon—healing the demon-possessed daughter of a Gentile woman—and now 2,000 years later His followers continue to proclaim the same message of repentance and faith.

I thank God for how He's working in Lebanon and the Middle East even in the midst of suffering. *"Blessed be the God and Father of our Lord Jesus Christ, the Father of mercies and God of all comfort"* (2 Corinthians 1:3).

MIDDLE EAST AIRLIFTS:
We've flown in more than 150 tons of relief supplies to Beirut aboard our 767 aircraft.

Meeting Our Neighbors' Needs

Samaritan's Purse recently started a new initiative to meet the medical needs of U.S. communities where many struggle to access and afford treatment, especially dental and vision care. Partnering with a local church, our team recently held a two-day Community Medical Outreach event in Burnsville, a community in western North Carolina hit hard by Hurricane Helene in 2024. I have visited this town many times, and we continue to help rebuild and replace homes that were ruined by the historic flooding.

Marcos (middle right photo) was one of those we helped. He had suffered with poor vision for years but could never afford a visit to the eye doctor. He was extremely grateful to receive a free pair of glasses, made onsite for him that same day by our team in Burnsville. My son Edward, COO of Samaritan's Purse, had the privilege of presenting him his new eyewear, and Marcos responded with a wide, thankful smile as the glasses fit just right on his face.

Almost 300 people received care, free of charge, from our team of doctors, dentists, and eye specialists. Dr. Felix Martin del Campo (top right photo), a dentist and Samaritan's Purse board member, was among those who volunteered their time to help with this outreach. "Everyone who is seen here has had someone share the Gospel with them. That is why we're here," he said.

We are planning to hold similar outreaches this year in Pikeville, Kentucky; Wheeling, West Virginia; and Valdosta, Georgia. You can find out more at samaritanspurse.org/cmo. Please pray that many in need will come out to receive free care, given in Jesus' Name.

Thank you for supporting the ministry of Samaritan's Purse. "I thank my God ... because of your partnership in the Gospel" (Philippians 1:3-5, ESV). May God richly bless you.

Sincerely,

 Franklin Graham

HELPING AT HOME: Samaritan's Purse is bringing medical, dental, and eye care to communities in need. Our outreach also includes praying for the hurting and sharing the Gospel with them.

WAYS YOU CAN HELP

■ PRAY

Please pray for our work in Lebanon, as we minister in Jesus' Name. Pray also for our medical outreaches, disaster relief, and rebuild work across the United States.

■ MIDDLE EAST RELIEF

Samaritan's Purse is providing aid to families affected by war and natural disasters. We support and serve alongside local ministry partners throughout the region to offer physical relief in Jesus' Name to suffering people.

■ COMMUNITY MEDICAL OUTREACH

Community Medical Outreach is a new Samaritan's Purse initiative that serves physical and spiritual needs in local communities within the United States. We coordinate closely with local churches to provide dental, vision, and medical care—free of charge—to those in need.

■ WHERE MOST NEEDED

Samaritan's Purse works in Jesus' Name to help victims of disaster, disease, famine, poverty, and war. Your gift to "Where Most Needed" equips us with the resources—including personnel, materials, supporting services, and more—to fulfill our mission of relief and evangelism.

All gifts are tax deductible to the full extent allowed by law. Contributions are solicited with the understanding that Samaritan's Purse has complete control over the use of all donated funds. Our Board-approved policy is that all gifts designated for a specific project be applied to that project, with up to 10 percent used for administrative and fundraising expenses. Occasionally we receive more contributions for a given project than can be wisely applied to that project. When that happens, we use these funds to meet a similar pressing need. It is our policy to meet the needs God lays before us, so that Christ is lifted up and the Gospel advanced.
