Robert Ebert *Robert Ebert is a disaster relief chaplain serving through Indian Rocks Baptist Church in Northeast Park, Florida.*

Continue to pray for my children, C and C. Recently, we had opportunities to share our faith and hope with one of them and her husband. Also, pray for the people we reached out to on our medical missions trips to Marrakech, Africa, and Olanchito, Honduras. We have 165 new brothers and sisters in Christ. Pray for their discipleship and continued hunger to learn and apply God's Word. Praise the Lord! Thank you.

Michael and Sheri Wright *Michael Wright is the lead pastor and planter for Abide Church in Dover, Delaware. His sending church is LifeHouse Church Smyrna in Smyrna, Delaware.*

We are looking for a new space to gather as a church body. At our current location, many conflicts have arisen, so we cannot use it consistently on Sundays. Ask God to provide a location we can lease or own that would enable us to keep growing in this next season. Ask God to continue to raise up and help us equip deacons and elders to serve and lead our church body. Ask God to help us grow in our dependence on God as a church, and to seek and wait on the Lord for all things. Ask God to give us a greater burden and boldness for the lost in our community and for more of our “ONES” to come to saving faith.

Mario Arjona *Mario Arjona is the planter and pastor of Tabernacle Multicultural Español, the Spanish-language ministry of Tabernacle Baptist Church.*

Pray for my wife, Marines, and me as we celebrate 28 years of marriage. Pray for continued unity, love, and faithfulness in our family. Pray for our son, Stephen, as he continues recovering physically and emotionally from a back injury, and that our four daughters will grow in their knowledge of God, live in harmony, and continue serving the Lord together. Also, pray for Tabernacle Multicultural Español as we celebrate our third anniversary on September 20. Ask God to raise up new leaders, strengthen our discipleship ministry, and continue bringing people to Christ through our outreach efforts, including the World Cup events this summer. Pray for greater unity and partnership among our English-, Spanish-, and Korean-speaking ministries, for personal and ministry financial stability, and for God’s provision and protection as we prepare for possible mission work in Canada later this year.
