Eunchul (Daniel) Kim and Heesun Nam; *Daniel Kim and his wife, Heesun Nam, planted Abide Church in Burnaby, British Columbia, Canada.*

We ask you to pray that the Lord would send people our way—people who truly need to encounter the Lord's presence and those who have turned away from church for various reasons. We also ask that the small community of believers we have would grow in their faith and that the Lord would grant us the wisdom to begin various ministries with the limited resources we have.

Charlie and Amy Collins; *Charlie and Amy Collins planted Crossover Church in Piedmont, Oklahoma. The Church That Matters in Sand Springs, Oklahoma, is their sending church.*

We would love your prayers for our church. Sometimes we have visitors who come for a while, or part of their family comes for a while, and then leave unexpectedly. They say they love it, but we don't hear from them. We have tried to find out why they leave, but most of the time we don't get a response. We sincerely want to glorify God and need people's feedback. We also need church partnerships. We are planning to send out requests to different churches, so please pray that our church will find favor. God always provides, so please also give God the praise in advance for what He is about to do.

Matthew Tyson; *Matthew Tyson is the planter and pastor of 318 Church in Shreveport, Louisiana. His sending church is Brookwood Baptist Church in Shreveport, Louisiana.*

Pray that I will seek God deeply with a desperate hunger to know Him more devotedly. I am so thankful for salvation and am amazed that the Lord would save a wretch like me! Praises! Sarah and I recently celebrated 29 years of marriage. I am so grateful for her! Also, our oldest daughter and new son-in-law are doing great in their new marriage. Pray for our middle daughter, who finished serving this summer and began physical therapy school. Our youngest daughter was awarded a college scholarship, which is a huge answer to prayer. Our midweek meeting in our home has outgrown its space. Folks are really growing through in-depth Bible study and community. Our weekly worship service on Saturdays is also thriving. Pray for those who are ready to take the next steps toward baptism. Also, pray for us as we consider what the Lord might have for us in finding our own space for church. Pray for provision for this and that it would be an unmistakable move from/by the Lord.

Lauren Washington; *Aundre and Lauren Washington planted Reach Fellowship Church in Grand Prairie, Texas. Their sending church is Creekstone Church in North Richland Hills, Texas.*

Our earnest and desperate prayer is that God will provide for our family in a very tangible way. We don't want to suffer financial loss or strain as we follow God's leading. Our petition is that the Lord will guard all that is ours (Psalm 16:5) and provide all our needs (Philippians 4:19).

Derek Berry; *Derek Berry planted Gospel of Christ Church in Pasadena, California. His sending church is Bellflower Baptist Church in Bellflower, California.*

Pray that the Lord will bless our evangelistic efforts as we seek to preach the gospel both individually and corporately as a church. Pray that the Lord would save the lost among us and give us influence in our city of Pasadena. Pray that the Lord would grow and add to our number organically through conversion and baptisms. Thank you!
