Volodymyr Zolotov

Volodymyr and Jenya Zolotov planted Shelter Church in Maryland Heights, Missouri. Their sending church is The Journey Tower Grove Church in St. Louis, Missouri. Pray with us for peace in Ukraine. Pray for an end to the war in Ukraine, for protection of the Ukrainian people, and for peace and restoration. Pray that churches throughout Ukraine will faithfully proclaim the gospel, reach people with the hope of Christ, and make disciples who make disciples. Pray for God's grace, guidance, and provision as we seek an opportunity for our family to receive permanent residency in the United States. Pray that God will bless our ministry and open doors for us to reach people who do not know Christ, share the gospel with them, and make disciples in the St. Louis area. Pray for a great awakening across America, that people will turn to Jesus Christ, churches will be renewed, and God's kingdom will advance for His glory.

Josh Elliff

Three years ago, Josh and Jacqueline Elliff, along with their three children, planted River Church Loveland in Loveland, Colorado. Their sending church is The Summit Church in Little Rock, Arkansas. Pray for the families, individuals, and marriages of River Church Loveland and northern Colorado. The enemy is attacking families hard in this area. Pray for God's continued provision as the church grows and works to become self-sustaining. Pray for those coming to the church with significant church hurt, that River Church would be a place where they can grow, be encouraged, heal, and invest for years to come. Pray that God will continue to sustain Jacqueline, me, the other members, and the church staff as they serve. It's hard work, but it's worth it. River Church has seen salvations and baptisms every year since its existence. Pray that they continue to see people come to know and follow Jesus!

Evens Jean

Evens Jean planted Ministère Alliance de Golgotha in Drummondville, Quebec, Canada. His sending church is Jireh Baptist Church in Montreal, Quebec, Canada.

Since my mother passed away on August 18, I have been feeling deeply discouraged and emotionally overwhelmed. Her death has left a profound emptiness in my life, and I have been struggling to come to terms with the loss. I am trying to remain strong and continue with my responsibilities, but this period of grief has been extremely challenging for me. I am taking things one day at a time and praying for strength, comfort, and peace as I go through this difficult season.
