

Getting More from the Message – Hebrews 13:1-6

Community Group Questions – Week of October 25th, 2026

Getting Started: Read this week's passage out loud & pray the Holy Spirit will help you understand.

Ice Breaker: Many people seem very discontented in life. Why do you think that is? What are some of the reasons people complain about?

1) Do you believe that if you live out your Christian life, you may be more content? Why or why not?

2) Why do you think some people feel that many Christians are not very loving? Do you believe that, in some circumstances, being loving may be helpful if you are asked about your faith?

3) Several "Christian denominations" in America have adopted our society's cultural views regarding sexuality in ways that completely disagree with the Bible. How are we to think about such things? How can such encounters take us away from the Gospel, or cause us to lose the people we are talking to? (This is not an easy question, and we all need to be careful here.)

4) In what ways do we all feel the pressure of money and possessions? Do you believe that money is a "god" for many people in our culture? Please explain your answer,

5) Could American Christians manage their money better, given that we are only slightly more generous than the general population? What did you think of the story about Larry Burkett and that couple?

6) When you are afraid, what does it mean to "preach to yourself"

7) If you were writing a question this week, what would your question be? And what would your answer be? (We may not get to this, but it is important you answer it.)

8) Was there anything specific you think God wanted you to take away or change from this passage?

9) How can we pray for you in regard to what we studied this week? Other prayer requests are fine, but we are also looking for a specific prayer request for you in regard to this week's passage.
