June 1, 2026

New Horizon Christian School
1909 Homedale Rd
Klamath Falls, OR 97603

We are pleased to inform you that the ACTS Accreditation Commission and Board of Directors have voted to confer **Accreditation** for a term of six (6) years, **with a mid-cycle review during the third year**. This accreditation begins on **May 26, 2026** and will continue through **June 30, 2032**. It is also my pleasure to inform you that along with this ACTS Accreditation, your school will also be accredited with the National Council of Private School Accreditation (you will receive a separate accreditation certificate from NCPSA).

During the accreditation period, you will need to maintain your membership status, submit the required annual Continuous Accreditation Report (CAR) and any/all fees associated with membership/accreditation. The annual report form is available on our website and requires documentation across the standards (i.e., budgets, substantive changes to school program, school improvement plan, state level data points, progress on directives annually, etc.). Your annual report is due in July each year.

Enclosed you will find your certificate. If you decide you would like a plaque to commemorate this occasion, please return the enclosed order form to our office for processing.

Note – You will have continued access to your Accreditation folder within the ACTS Drive. You will have access to your Self-study, digital copies of your team reports, accreditation letters, accreditation certificates, and other items relevant to your accreditation status.

On behalf of the entire ACTS family, congratulations on this monumental achievement.

Steve Lindquist
Executive Director
slindquist@actsschools.org

Jon Aultman
Director of Accreditation
jaultman@actsschools.org

Ike Stokes
Accreditation Commission Chair
