

Supply List 2026-2027

Dear New Horizon Middle School Parents:

We are so excited to welcome you to the upcoming school year! Before coming back to school in the fall, please purchase the supplies from both lists below. The **Individual Student Use** items may be whatever brands and styles your child prefers. Teachers will have a limited supply of some of these items in the classroom; however, students need to be responsible for their own supplies and come to class prepared. We hope this will teach responsibility as we prepare children for school and careers beyond their time at New Horizon.

We also ask that you purchase the items on the **Required Shared Supplies** list. These supplies will be for shared classroom use throughout the year. These may be whatever brands you choose to purchase.

Please bring ALL SUPPLIES to our **Back-to-School LOCKERATE** night in August (date TBD). Thank you for your effort to work together with us. We are blessed to work alongside you and look forward to what God will do in the coming year!
