

# TRANSPORTATION

Each individual/family is responsible for their own transportation. We can carpool and caravan together from RiverTree Jackson or you can meet us at the property in PA that evening. Address provided closer to departure.

**Depart June 4 at 4PM**

**Return June 7 at 3PM**

# CAMPING

- We camp out on 80 acres of private property complete with ponds, various hiking trails, a picnic pavilion, sitting areas, a volleyball court, and a bocce ball court.
- You can swim and fish in the ponds, take walks, and enjoy evening campfires.
- We will shower at the YMCA.
- We are sleeping in tents! It is encouraged to bring your own. However, if you do not have one, just let us know!
- If the weather is not favorable, we will stay at a local church.

# MEALS

Delicious meals provided throughout the trip, or the opportunity to cook your own meals over a campfire.

# THE MISSION

**Our RiverTree family has experienced life-changing moments through our long-standing partnerships with missions in Aliquippa.**

Once a thriving steel town of 30,000, Aliquippa faced deep challenges after the mill closed in the 1980s, leaving widespread poverty and a population of about 9,000 today. Over 90% of students now rely on subsidized lunches.

We partner with local missionary Scott Branderhorst, who focuses on building trust and deep community relationships.

These mission trips bring hope and renewal to Aliquippa—but they also profoundly transform our own hearts as we witness God’s faithfulness through bold steps of faith.

# BASICS

This trip is perfect for families and individuals to serve as the hands and feet of Jesus, while still accommodating busy schedules.

The trip, running from Thursday evening to Sunday afternoon, is conveniently located less than two hours away in Aliquippa, and most people like that they might need only one day off work, but get the full experience!

While child-friendly, we recommend children be at least 6 years old due to the type of service projects being done.
