

Hi College First Families,

We are taking donations for our 50 Cent fest on **Friday, August 21st**. This is a great opportunity to give to those in our community who have needs. Donations can be brought anytime between now and the day of the event. Donations should be brought to the Bible Quizzing room, which is in the downstairs hallway in our main building. The proceeds will go towards our Next Gen Ministries.

We will bring our ice cream booth back to the Hancock County Fair on Sept 1-7 this year! We will be selling Dietsch's Ice Cream to raise money for our Next Gen Ministries. This is an important fundraiser for us and we need everyone to sign up for a shift by clicking the link below. Signing up also gains you free admission to the fair that day.

Two Sundays ago, our Youth Pool Party turned into a bowling party due to weather concerns. Despite the unforeseen circumstances, we were able to pivot and have a great time! Here are some pictures:

Looking forward to seeing everyone at Youth Group this week!

Best,
Pastor Nancy

WHAT WE'RE TEACHING

Back to the Future: A 4-Week Series from the Old and New Testament on the mission of Jesus

SERIES OVERVIEW: Whether it's to stop yourself from saying something stupid, or see where you'll be in 10 years, or experience your favorite moment in history firsthand, we all wish we had a time machine sometimes, right? While time machines might not actually exist, the Bible can sometimes feel a little bit like a time machine. It's the story of the God who exists outside of time and had a plan to save the world before time even existed.

God's plan was fulfilled through Jesus 2,000 years ago, but prophets like Isaiah, Jeremiah, and Amos left

us hints about God's plan hundreds of years before that. So what was that plan? In this 4-week series,

we'll discover that Jesus' mission was to set people free and rebuild what has been destroyed — and

we can join Him on that mission, in part, by doing justice and remembering all God has done.
