The Rooted High School Retreat at Camp Otyokwah is on **November 13-15**. It will be an opportunity for students to get away from business and distractions and spend some time with God and fellow believers. Registration costs **\$125 before Sept 18th and \$135 after**. Scholarships are available for students, please let me know if you are interested in attending and I will connect with the scholarship codes.

This past Sunday, our youth group participated in the College First Hymn Sing. Two of the songs, What a Friend We Have in Jesus and Amazing Grace, were led by them. They did an amazing job and it was great to spend the evening worshipping with other generations of believers. Here are some pictures:

Hope to see everyone at Suter's this week!

Best,
Pastor Nancy

WHAT WE'RE TEACHING

Redeem The Screen: A 3-Week Series on the role of technology in our lives and what God can do with it

SERIES OVERVIEW: Our screens have incredible power in our lives. With the click of a button, we can connect to anyone across the globe in an instant. With a simple search, we can discover everything from today's weather forecast, to tutoring for a difficult math problem, to the ins and outs of our favorite celebrity's love life. Our screens can inspire us, but they can also distract us and make us mindlessly conform to what we see.

Our phones, laptops, and TVs are some of the most powerful objects in our lives. Will you let them change your life or will you use them to change the world?

In this three-part youth series, pastor Kyle Idleman will teach you how to redeem your screen. Join him as he walks through Romans 12, showing us how to be transformed by Jesus. When we let Jesus transform our lives, our screens will no longer be a distraction—they will become a tool to make Jesus known all over the world.
